SUBJECT: RONALD WILSON REAGAN
ATOMIC ENERGY ACT - APPLICANT

This is to advise the Atomic Energy Commission (AEC) has requested a background investigation of Reagan, present Governor of California, As Governor he becomes a member of the Board of Regents of the University of California, which position has been classified "highly sensitive" by the AEC. Governor Reagan as a member of the Board of Regents will have access to highly sensitive restricted data. The Atomic Energy Act of 1954 requires the Bureau to conduct a full investigation where such access is involved.

As you will recall, the Bureau conducted a full background investigation concerning former Governor Edmund Gerald Brown in May, 1960, when he likewise became a member of the Board of Regents of the University of California.

Bureau files disclose that we have never investigated Governor Reagan; however, our files do contain numerous references to him, primarily concerning his anticommunist activities in various Hollywood, California, organizations. Reagan has spoken in various parts of the country on the evils of communism and was a friendly witness before the House Committee on Un-American Activities in October, 1947. Although he has been extremely anticommunist since the mid 1940's, he was reportedly a sponsor of the Committee for a Democratic Far Eastern Policy, which is listed in the "Guide to Subversive Organizations and Publications" prepared by the House Committee on Un-American Activities. He was reportedly a member of Americans for Democratic Action and American Veterans Committee in the 1940's. In 1950 it was reported he had been active in the Hollywood Independent Citizens Committee of the Arts, Sciences, and Professions but got out in 1945 when the communists took over.

In March, 1960, we cooperated with Governor Reagan in making inquiries here in Washington, D. C., regarding his daughter, Maureen Reagan, who had been living with a married metropolitan

police officer in Washington, D. C. The Director invited Governor Reagan to call upon the FBI for assistance in matters of mutual interest. By letter 11-9-66 the Director extended his congratulations to Governor Reagan on his election.

Memorandum dated 1-17-67 from Mr. Sullivan to Mr. DeLoach captioned "Student Agitation, University of California, Berkeley, California, Information Concerning (Internal Security)" advised that Governor Reagan would be grateful for any information known to the Bureau concerning plans for future demonstrations to be held on the campus of the University of California at Berkeley, California, and any information of a subversive nature concerning Clark Kerr, President of the University of California. The Director approved that SAC Lynum should furnish Governor Reagan only information developed regarding plans for future demonstrations on the Berkeley campus or at Governor Reagan's press conferences and that we confidentially advise him that we have no pertinent information concerning Clark Kerr or the Board of Regents of the University of California.

ACTION: If you approve, the SAC at San Francisco will be instructed to personally advise Governor Reagan of the reason for the investigation and the fact that it is being conducted at the request of the AEC. Experienced Agents will be assigned to conduct the inquiries and, in view of Governor Reagan's prominence, no neighborhood investigation will be conducted. The field office will be specifically instructed not to conduct any interviews on the university campuses. All persons interviewed will be told investigation is being conducted at request of the AEC.

TIMES EDITORIALS

Reagan Takes the Helm

Gov. Reagan charted a provocative new course for state government in his inaugural address.

There is much to applaud in the philosophy of his administration and the direction it intends to take in certain areas. Details must still be filled in, however, on many items in his program and it remains to be seen how they will, or if they can, be implemented.

Reagan devoted much of his message to the grave fiscal plight of the state, noting that a new budget held at the same level as the present one, plus "absolutely essential" property tax relief, could produce a $750 million deficit.

☆

"The time has come," the governor said, "for us to decide whether collectively we can afford anything and everything we think of simply because we think of it. The time has come to run a check and see if all the services government provides are in answer to demands, or just goodies dreamed up for our supposed betterment. The time has come to match outgo to income, instead of always doing it the other way round.

"We are going to squeeze and cut and trim until we reduce the cost of government . . . and it will involve every department of government."

That is a laudable goal. But to all practical purposes, unless new legislation is enacted, the fact is that only about one-third of the budget is controllable. That one-third covers the University of California, state colleges, institutions and governmental operating costs. And that's where danger lies.

Although the governor did not mention it in his address, he is considering a 10% cut in university and state college budgets, plus $400 tuition for the university and $200 for state colleges.

That drastic change could gravely imperil the quality of higher education which Californians have come to expect. It does violence to the intent of the Master Plan for Higher Education. A 10% slash on top of heavy reductions already made by the Department of Finance could play havoc with operations. Tuition ought not to be used as an expedient for budget balancing, but if it is, then some way must be found to avoid penalizing deserving students who cannot afford the increased fees.

There is a strong possibility, moreover, that such a heavy tuition might force an increased load on junior colleges and thus materially boost local tax levels. This could vitiate the "absolutely essential" property tax relief Reagan calls for.

The proposal has a popular ring, but we suggest it has not been sufficiently thought out.

★

Despite such special reservations, The Times commends the general tone of the new governor's message.

The "Creative Society" he proposes would turn away from the idea that government and those who serve in it are omnipotent. Government would lead but not rule, listen but not lecture. The emphasis will be on seeing that government does not encroach on freedom or assume powwer beyond that freely granted by the people.

That in itself indicates a refreshing change in administrative direction.

1,500 at Valley State Rally Against Reagan

Gov. Reagan was hanged in effigy Friday at San Fernando Valley State College, where 1,500 students rallied against the governor's proposed tuition and budget cutting plans.

A dummy labeled "Reegin" was placed near an outdoor podium shortly before the rally started, but it was quickly removed by order of Statewide College Affairs Dean Thomas H. McGrath, a scheduled speaker at the rally.

Many students wore printed cards reading, "Our position, no tuition," as they gathered to hear a series of speakers denounce Reagan's proposal to institute tuition in the heretofore free state college and university systems and to slash school budgets 10%.

Student body presidents from Cal State L.A., Long Beach State, Cal Poly, San Bernardino State, Dominguez Hills, UCLA and Pierce Junior College appeared with Valley State President John Cagle.

A student carrying the effigy of Reagan said he represented the Students for a Democratic Society, a "New Leftist" group which has a chapter on campus. Cagle said he thought it more likely that fraternity men had constructed the dummy.

"We are opposed to this type of opposition," the student leader said.

As the crowd gathered, placards were seen with such slogans as "Keep Cal State Free" and "Recall Ronnie."

Officials speaking at the rally included Assemblyman Charles Warren (D-Los Angeles) head of the Democratic State Central Committee, and Mrs. Georgiana Hardy, a member of the Los Angeles Board of Education.

Warren said that if Reagan succeeds with his proposed 10% budget cuts for the 18 state colleges, he thinks the Legislature will be "compelled" to adopt tuition.

On 1/25/67 Mr. WALTER GLOVER, Director of Plant Security, Warner Brothers Pictures, Inc., 4000 Warner Boulevard, Burbank, California, was contacted for information concerning REAGAN and to request assistance in obtaining appropriate records to verify his employment at this studio. Mr. GLOVER advised that the office of Plant Security records contain no unfavorable information concerning the applicant. He said that he personally knew REAGAN when he was under contract as an actor with this studio. He also knew REAGAN's former wife, JANE WYMAN, who also formerly was under contract with this studio as an actress.

GLOVER said he has never heard anything unfavorable concerning REAGAN. He said REAGAN has always had the reputation of being a patriotic, loyal American. His character was above reproach. He always associated with reputable individuals. Mr. GLOVER knows of no organization affiliations other than motion picture groups.

Mr. GLOVER advised for the strictly confidential information of the FBI, it is his understanding the true reason REAGAN divorced JANE WYMAN was immorality on her part. He said Miss WYMAN had the reputation of promiscuity before, during and after her marriage to REAGAN. He said REAGAN "found out what his wife was" and divorced her for this reason.

DETAILS:

At Eureka and Peoria, Illinois

Investigation reported herein was conducted by SA MARCUS E. SHARPE on February 1, 1967.

Mrs. JANE ASHWORTH, Records Clerk, in the Office of Mr. GEORGE HEARNE, Registrar, Eureka College, Eureka, Illinois, made available a record maintained in the Registrar's Office of Eureka College, in regard to a former student named RONALD WILSON REAGAN.

Mrs. ASHWORTH stated that this was the original transcript, and that there had never been a request for a transcript for this former student to be sent to any other university or college.

Mrs. ASHWORTH made available the original transcript of records reflecting that RONALD WILSON REAGAN, of 226 Lincoln Way, Dixon, Illinois, was enrolled as a Freshman student in the Liberal Arts Courses offered by Eureka College, on September 14, 1928. There was no indication of the date of this student's birth, nor was there an indication of the names of his parents.

There was an indication on the transcript that this student had graduated in 1928 from the North Dixon High School, Dixon, Illinois, and that he ranked in the middle third in his high school graduating class of among 70 students.

The transcript reveals that he had pursued a Liberal Arts Course for four years, majoring in Economics and Sociology, and by June 7, 1932, he had accumulated 129 semester hours of Liberal Arts credit with 173 grade

points, or a 1.37 grade point over all average for the 129 semester hours.

Mrs. ASHWORTH stated that this would be a "C+" or almost a "B-" over all four year average for his academic achievement or somewhat better than an average academic achievement.

Mrs. ASHWORTH stated that this record reveals that REAGAN was awarded an A.B. degree by Eureka College on June 7,1932.

She stated that there is no other record at the college regarding this former student, as to activities or as to his deportment stating that in the absence of any indication on his transcript, that he had been placed on any academic or other probation, and she could only conclude that this former student had never been the subject of any disciplinary action whatsoever.

Reference

Mr. SAMUEL G. HARROD, JR., Attorney at Law, who has offices at 106½ East Center Street, Eureka, Illinois, advised that he has known Governor REAGAN since REAGAN entered Eureka College as a Freshman student in the Fall of 1928. He stated that he, himself was in the 8th or 9th grade, as he recalls, living across the street from the Tau Kappa Epsilon Fraternity House, when he became acquainted with REAGAN who had just moved into the "TKE" House, and lived there during the four years he attended college.

He stated that REAGAN was almost like a big brother to him, he taught him to swim, and helped him in many ways.

Ronald Reagan-1360

Mr. HARROD stated that he had maintained close contact with Governor REAGAN ever since, mostly by correspondence. He stated that he has visited his home in California on four or five occasions, and on these occasions, met some prominent movie people who were friends of Governor REAGAN, including PAT O'BRIEN, JAMES CAGNEY, GEORGE BURNS, EDDIE ALBERT, and BURL IVES.

He stated that he has closely followed Governor REAGAN's Career in the movie industry and recently in his political career. He stated that he received a hand-written note from Governor REAGAN, wherein he was invited to visit Governor REAGAN and attend his recent inauguration.

In correspondence and personal contacts, he knows Governor REAGAN had his "hands full" for about seven years when Governor REAGAN was the president of the Screen Actor's Guild.

Mr. HARROD could only state that he felt REAGAN was fighting certain individuals in the movie industry, not only actors, but writers and directors and others involved in the movie-making industry, who were apparently known or believed by Governor REAGAN to hold sympathies for other than the best interest of our American way of life.

Mr. HARROD stated that he could only presume that Governor REAGAN was fighting what he, HARROD, presumed to be Communist infiltration of the industry.

Mr. HARROD stated that there would never be any doubt in his mind as to the sincere and complete loyalty and patriotism of Governor REAGAN to our form of Government. He stated that Governor REAGAN has always been well thought of by those who know him, and that he has always enjoyed a reputation for excellent moral character, and good associations.

Ronald Reagan-1361

Mr. HARROD advised that he would highly recommend Governor REAGAN for a position of extreme trust and responsibility, in our Government.

Mr. HARROD concluded the interview by stating that he did want to mention that a very few months ago, a "long-haired" student from Antioch College, Yellow Springs, Ohio, was reportedly in Eureka, attempting to learn the participation of REAGAN, then a gubernatorial candidate, in an alleged "student strike" inEureka College in 1928.

Mr. HARROD did not see this student, but only heard of the incident, and he did not know the identity of the student. He heard that the student was apparently attempting to go to all extremes in an effort to learn something of this.

Mr. HARROD stated that he could explain this to anyone.

He then said that when Governor REAGAN first entered Eureka College as a Freshman, being then probably only 17 or 18 years old, that at the very beginning of that school term, the then college president, President BERT WILSON, issued some proclamations which were almost 100 per cent disagreed with on the part of the faculty and students.

As he recalled, there were several proclamations, but that one of these was to the effect that there would be no social functions at the college, such as dances. Another thing that President WILSON also proclaimed,that he was changing the requirements for various academic courses which, if allowed to stand, would prohibit the then juniors and seniors from completing their Liberal Arts degree requirements as to majors and minors within the planned four years and that this would mean that the present juniors and seniors would not have earned their bachelors degrees within the planned four years providing

these changes would stand.

Mr. HARROD stated that there was then a general "student strike." This strike was against the president and his proclamations.

Mr. HARROD stated that this happened early in the Fall term of 1928, right after Governor REAGAN appeared on the campus as a Freshman student.

He recalled that all students then in this "student strike" refused to attend classes. He stated that Governor REAGAN would have participated to the extent that he was one of the students, and that there was a 100 per cent participation in the student strike, and that Governor REAGAN, as a Freshman student, would have done as the other students did.

He stated that faculty members, almost 100 per cent were against the proclamations of the then college president, and that they advised all students that they would hold classes in the homes of the faculty members, and that the students could carry on their studies in this manner.

Mr. HARROD recalls that a majority of the 24 member board of trustees of the Eureka College met or at least conferred regarding this "student strike" which was beginning to pick up national publicity. President BERT WILSON was fired .

Mr. HARROD's father, who was then the academic Dean of Eureka College, was appointed as acting president of Eureka College, and he held this position for several months until a new college president was chosen and installed several months later.

Mr. HARROD stated that there was nothing reprehensible about this on the part of any student, that there was no subversive activity involved whatsoever.

Ronald Reagan-1363

Mr. HARROD presumes that now , as this former student has achieved a position of some political prominence, there will be those who will attempt to dig in to history to learn of any derogatory information that could possibly be found regarding him.

Mr. HARROD stated that he knows of no derogatory information regarding Governor REAGAN, and that he knows Governor REAGAN to be a most loyal American citizen.

EMPLOYMENT

Doctor DAVID PALMER, President of Central Broadcasting Company, WOC-AM-FM-TV, 800 Brady Street, and president of Palmer College of Chiropractic, 1000 Brady Street, Davenport, Iowa, advised on January 27, 1967, that he remembers RONALD REAGAN, whom he calls "DUTCH", very well. Doctor PALMER stated that the two of them used to double date together when REAGAN was employed at the radio station in Davenport, Iowa. Doctor PALMER stated that, in fact, he gave REAGAN his first job as an announcer when he first came to Davenport, in approximately 1932, fresh out of college at Eureka, Illinois. Doctor PALMER stated that to the best of his memory RONALD REAGAN, known to his friends as "DUTCH", first came to Davenport, in approximately 1932 right after he graduated from Eureka

College in Eureka, Illinois. He worked in Davenport as a sports announcer and then was transferred to WHO, Des Moines, Iowa, where he worked for approximately seven years. The two radio stations, WOC, in Davenport, and WHO, in Des Moines, were and still are operated by the same company. Doctor PALMER explained that when REAGAN came to Davenport, and while he worked in Davenport and in Des Moines, he was single, and consequently he and Doctor PALMER had a close social acquaintance together, in that they would often go out together and double date together.

Doctor PALMER described REAGAN as a great American, clean both morally and physically. He stated that his character and loyalty to the country were beyond reproach, and that there was nothing in his background, social habits, or financial handling of his affairs to indicate anything but a very fine person and a sincere American.

Doctor PALMER explained that the only two persons that he knows of that were working for the radio station in Davenport, when REAGAN worked there, and who are still working at the radio station, are Mr. BILL WAGNER and Miss LUCILE MAUGET. He stated that REAGAN's associates while he was in Davenport, were mostly other persons at the radio station. He does not believe that there is anyone left in the Davenport area that was associated with REAGAN while he worked at the radio station, with the exception of the above two persons. While REAGAN worked for WOC, in Davenport, he was a straight announcer. But after transferring to Des Moines, to WHO, he became a sports announcer. Doctor PALMER does not remember the exact period that REAGAN worked for the radio station, but believes he began work in about 1932 and continued for approximately ten years total, at the two radio stations.

Doctor PALMER remembers REAGAN belonging to no organizations while he was in Davenport, and knows of absolutely nothing that would reflect unfavorably upon his loyalty to the country.

Ronald Reagan-1367

OM 116-27132

LUCILE MAUGET, Assistant Treasurer of Palmer Broadcasting Company, and secretary of Palmer College of Chiropractic, and Palmer Junior College, furnished the employment application for REAGAN reflecting the following information on January 30, 1967:

The application is titled "Application for Position, Central Broadcasting Company - Station WHO, Index number 480-07-7453, dated February 9, 1933." It is in the name of RONALD WILSON REAGAN, 400 Center Street, (no city or state given), date of birth February 6, 1911, at Tampico, Illinois. The application states that REAGAN resided in Des Moines, Iowa, for four years and in the state of Iowa for four years. His religious affiliation was the Christian church, and his fraternity, TAU KAPPA EPSILAN. REAGAN is listed as single with no dependents, six foot 3/4 inch, 170 pounds, brown hair, green eyes. He is listed as owning his car, and having completed grade school, high school, and received an A. B. in Economics and Sociology at Eureka College, Eureka, Illinois. No other employers are listed and no references are given.

The application further reflects that REAGAN began employment for the Central Broadcasting Company on February 10, 1933, and terminated employment on May 22, 1937. His starting salary was $100.00 per month, as of February 10, 1933, and was making $325.00 per month as of March 1, 1936, and when he terminated employment. He was employed with the company in the program department as a sports announcer.

Miss MAUGET explained that at this time, when REAGAN was working for the Central Broadcasting Company, she was the company's cashier. The company was owned and operated at that time by Palmer College.

Miss MAUGET explained that no permanent employment records were kept for the company prior to 1932, and consequently she does not know for sure if the period February 9, 1933 to May 22, 1937, covers the entire period that RONALD REAGAN worked for the Central Broadcasting Company, or just the period that he worked for WHO in Des Moines, Iowa. She stated that while RONALD REAGAN worked for the company his brother, J. NEIL REAGAN, also worked for the Central Broadcasting Company from 1934, through 1940, as a radio announcer. When RONALD REAGAN

first came to Davenport, and began employment with the Central Broadcasting Company, he had just completed his schooling at Eureka College, Eureka, Illinois. She remembers RONALD REAGAN quite well, and remembers that everyone at the station called him "DUTCH". She stated that she does not remember him working for the radio station, WOC, in Davenport, very long. He was a good worker, and must have been a very good announcer, or he would have not been transferred to the Des Moines, radio station, which was the larger of the two stations at that time. While he was in Davenport, he associated mostly with the other persons at the radio station. Miss MAUGET explained that there was a small crowd at WOC at that time, and everyone was very close and usually ran around together. She described REAGAN as an all-American boy type, very clean cut, and from a very good middle class family in Illinois. She stated that he always impressed her as being extremely honest and outward in his thoughts and actions. His character and loyalty to the country are unquestionable in her opinion. She stated that he never gave her or anyone else that she knows of any reason at all to question his loyalty to the country, while he worked for WOC in Davenport. She knows of no organizations that he belonged to while in Davenport, except for his college fraternity. He was very interested in sports, and as far as she knows, dated no one in particular while he was in Davenport. Miss MAUGET stated that she could think of absolutely nothing detrimental to say about RONALD REAGAN in any respect. She described him as a wonderful person and a fine American.

To the best of Miss MAUGET's knowledge, BILL WAGNER, who was auditor for the Central Broadcasting Company at the time RONALD REAGAN worked for the company, and Doctor DAVID PALMER, are the only persons in Davenport, outside of herself, who were employed at the radio station at the time REAGAN was employed. She stated that in addition to herself these two persons would probably the only people in the area who would know or remember him. Miss MAUGET remembers that while REAGAN worked for WOC in Davenport, he lived at the Perry Street apartments, now known as the Vale apartments, Fourth and Perry Street, Davenport, Iowa. She remembers that he used to kid a lot about the apartments, about the maid service, and about how the beds would fold out of the wall. She stated that

in fact he would joke and kid a lot with everyone about everything, and always seemed to be in very high spirits and full of life. She stated that he did have a roommate with him in the Perry Street apartment, but she has no idea who that was.

Miss MAUGET explained that after working for Central Broadcasting Company in Des Moines, for awhile, he was sent out to California, to cover the Chicago Cubs in spring training for the station. While out there, a girl from Des Moines, he knew who was in the movies got him a screen test for the movie studios. He passed it, and this ended his announcing career. Miss MAUGET did not know the name of the girl in the movies who got him this screen test.

Ronald Reagan-1370

Mr. WILLIAM D. WAGNER, Vice President and Secretary of Palmer Broadcasting Company, 800 Brady Street, Davenport, Iowa, advised on January 30, 1967, that he remembers RONALD WILSON REAGAN, very well when he worked for the Central Broadcasting Company in Davenport, and Des Moines, Iowa. Mr. WAGNER explained that he was auditor of the company at that time, and used to go out with REAGAN whom he called "DUTCH", after the night's work was finished. To the best of Mr. WAGNER's memory, REAGAN began work for the Central Broadcasting Company in Davenport, Iowa, in approximately 1932 or 1933, and left the employment in approximately 1936 or 1937. Mr. WAGNER explained that the Central Broadcasting Company was founded in 1929, and bought WOC in Davenport, and WHO in Des Moines. While the station was known as WHO-WOC, "DUTCH" REAGAN was employed in Davenport as a sports announcer. Then all the studio operations for the radio station were transferred to the Des Moines, Iowa, station, in May, 1933. At that time, REAGAN was also transferred to Des Moines, and became the sports announcer for the station. All operations closed up in Davenport, except for the accounting office. Mr. WAGNER stated that REAGAN worked in Davenport for the Central Broadcasting Company for less than a year. He was single the entire time he worked for Central Broadcasting Company in both Davenport and Des Moines, Iowa.

Mr. WAGNER described REAGAN as a very capable sports announcer, and pointed out that his brother, J. NEIL REAGAN, also worked for the station during the approximate same period. When RONALD REAGAN left the employment of the station, in approximately 1936, or 1937, he went to California, and entered the movies.

Mr. WAGNER described REAGAN as a very eager young man in his work, and was fresh out of Eureka College, when he first began work for the station in Davenport, Iowa. He knows of absolutely nothing derogatory about REAGAN, and stated that his character and loyalty to this country were beyond reproach and unquestionable. Mr. WAGNER pointed out that REAGAN's brother, J. NEIL, first went to work to put RONALD REAGAN through college, and then RONALD went to work to put his brother through college. He stated that they were close family from around Dixon, Illinois. Both RONALD and his brother graduated from Eureka College, Eureka, Illinois. During the entire time that REAGAN worked for the

Central Broadcasting Company, Mr. WAGNER stated that he did nor said anything that would reflect unfavorably upon his character or his loyalty to his country.

REAGAN's close associates and friends were other person at the radio station. He was a very personable and well liked young man and consequently had no trouble in making friends with the other employees at the station. Mr. WAGNER knows of no organization that REAGAN belonged to while he worked for the company with the exception of the National Guard or Army Reserve. Mr. WAGNER believed that REAGAN was a member of either the National Guard or the Army Reserve, while he was employed with the station in Des Moines, Iowa.

Mr. WAGNER explained that in approximately 1936 or 1937, REAGAN went out to California to watch and cover the Chicago Cubs in spring training. While out there, some friends of REAGAN's who were in the movies, prevailed upon him to take a screen test. He did and passed the screen test, and this ended his announcing career.

Warner Brothers Pictures, Inc.
4000 Warner Boulevard
Burbank, California

On January 25, 1967, and January 26, 1967, Mr. WALTER GLOVER, Director of Plant Security, Warner Brothers Pictures, Inc., advised he had caused a search to be made of the records of this studio for the history of the applicant's employment by Warner Brothers and had determined the applicant initially was employed by this studio as an actor effective May 24, 1937. The applicant remained with the studio until April 18, 1942, when he entered military service. He returned from military service on September 12, 1945, and returned to the studio. His exclusive service contract with this studio terminated in April, 1949, but the applicant remained with the studio until March 15, 1952, under contract to perform in several motion pictures.

Mr. GLOVER said employment records indicate that in 1937 the applicant resided at 1326 Londonderry View, Hollywood, California. His date and place of birth are shown as February 6, 1911, Tampico, Illinois. His father is listed as JOHN EDWARD REAGAN and his mother as NELL REAGAN. His parents' address in 1937 was shown as 9031 Phyllis Avenue, Los Angeles, California. He also listed a brother, NEIL REAGAN, of the same address as his parents and noted that the brother was employed by Warner Brothers. The applicant's wife is listed as JANE WYMAN.

According to Mr. GLOVER, the employment records further noted that the applicant graduated from college (name not indicated) in 1932 and that from February, 1933, until June, 1937, the applicant was employed as a Sports Announcer by the Central Broadcasting Company, Des Moines, Iowa. The applicant also noted he was a Second Lieutenant in the U. S. Cavalry Reserve. The records contained nothing unfavorable concerning the applicant and contained no additional pertinent information.

Mr. GLOVER said that he personally knew the applicant during the time the applicant was under contract with this studio. The applicant's mother, NELL, also was well known at the studio because for many years she ran the applicant's office at Warner Brothers and handled the applicant's fan mail. Mr. GLOVER said he did not recall applicant's brother, NEIL, although the records indicated he was an employee of Warner Brothers in 1937.

Mr. GLOVER said he had never heard anything unfavorable concerning the applicant. He said the applicant always had the reputation as being a patriotic, loyal American citizen which was exemplified by his membership in the U. S. Cavalry Reserve many years prior to World War II. He added that the applicant's character has always been above reproach and that to Mr. GLOVER's knowledge, he has always associated with reputable individuals. Mr. GLOVER knew of no organizations to which the applicant belonged other than motion picture groups, noting that the applicant was President of the Screen Actors Guild for many years.

Mr. JACK L. He invited the applicant to Hollywood, California; was impressed with the applicant; and entered into a contract with the applicant under which the applicant was to act in motion pictures produced by this studio. He said the applicant remained with the studio until World War II when the applicant entered military service. Mr. WARNER said his recollection of the contractual relationship the applicant had with the studio following the war years is hazy, but he recalled that the applicant performed in several motion pictures produced by this studio until about 1950.

Mr. WARNER said that in addition to knowing the applicant as an actor at Warner Brothers Studio that he developed a fairly close personal relationship with the applicant which has continued to the present date. Over the years they frequently have visited in each others homes.

Mr. WARNER said that for many years the applicant was President of the Screen Actors Guild. He had the reputation for being a fair, responsible individual who had the respect of both motion picture actors and motion picture producers.

Mr. WARNER volunteered that he knew the applicant's former wife, JANE WYMAN, who also formerly was under contract as a motion picture actress at Warner Brothers Studios and he knows the applicant's present wife, NANCY. He said the applicant has always been known as a perfect gentleman and that he lived an open, clean life that would withstand any scrutiny..

Mr. WARNER volunteered that he did not know what goes on behind the closed doors in any man's home, but he could state that he had never heard any gossip concerning the applicant. He added that the applicant is a loyal American citizen of excellent character who associated with people of good reputation. Mr. WARNER said he would highly recommend the applicant for any position of trust and confidence.

Mr. MERVYN LEROY, Producer-Director, Warner Brothers Picture, Inc., advised on January 25, 1967, that he has been acquainted with the applicant since the applicant commenced his career as a motion picture actor. Mr. SCHAEFFER said that since World War II his duties did not require a close relationship with actors, and he has had only limited knowledge of the applicant since that time. Mr. SCHAEFFER said he knows the applicant is a loyal American citizen who would sacrifice his life for his country. He said he considers the applicant's reputation and character to be above reproach, and he believes that the applicant associated only with reputable individuals.

The report of the Senate Fact-Finding Committee on Un-American Activities to the 1951 Regular California Legislature states on page 268 that the organization originally known as the Independent Citizens Committee of the Arts, Sciences, and Professions later became known as the National Council of the Arts, Sciences and Professions. The "Hollywood Citizen News" published on September 6, 1947, carried an item entitled, "PAUL ROBESON RAPS 'Fascists'." Following is quoted his reply:

> "I was called several weeks ago. There happened at the time in Hollywood to be a financial drive on to raise money to build a badly needed hospital in a certain section of town, called the All Nations Hospital. I think the purpose of the building is so obvious by the title that it has the support of most of the people of Hollywood--or, of Los Angeles, I should say. Certainly of most of the doctors, because it is very badly needed.

Ronald Reagan-1398

"Some time ago I was called to the telephone. A woman introduced herself by name. Knowing that I didn't know her I didn't make any particular note of her name and I couldn't give it now. She told me that there would be a recital held at which PAUL ROBESON would sing and she said that all the money for the tickets would go to the hospital and asked if she could use my name as one of the sponsors. I hesitated for a moment because I don't think that Mr. ROBESON's and my political views coincide at all and then I thought I was being a little stupid because, I thought, here is an occasion where Mr. ROBESON is perhaps appearing as an artist and certainly the object, raising money, is above any political consideration, it is a hospital supported by everyone. I have contributed money myself. So I felt a little bit as if I had been stuffy for a minute and I said, certainly, you can use my name.

"I left town for a couple of weeks and when I returned I was handed a newspaper story that said that this recital was held at the Shrine Auditorium in Los Angeles under the auspices of the Joint Anti-Fascist Refugee Committee.....
I did not in the newspaper story see one word about the hospital. I called the newspaper and said I am not accustomed to writing to editors, but would like to explain my position, and he laughed and said, 'You needn't bother, you are about the fiftieth person that has called with the same idea, including most of the legitimate doctors who had also been listed as sponsors of that affair.'

The Joint Anti-Fascist Refugee Committee was cited by the Attorney General of the United States under the provisions of Executive Order 10450.

The "Daily People's World" [redacted] a former daily west coast Communist Party publication.

The July 15, 1949, edition of the "Washington Times Herald," Washington, D.C., newspaper, carried an article entitled, "Probers Told ROBESON is a 'Veteran Red'." This article reflects that MANNING JOHNSON, an ex-Communist Party leader, told Congress on July 14, 1949, that PAUL ROBESON had been a member of the Communist Party for many years. JOHNSON said he met ROBESON frequently at the Communist Party headquarters in New York, where ROBESON held secret meetings with EARL BROWDER, WILLIAM Z. FOSTER, and J. PETERS.

The July 17, 1951, issue of the "Examiner," a Los Angeles daily newspaper, contained an item entitled "Filmland Fight on Reds Told." The item stated that RONALD REAGAN, actor and Screen Actor's Guild President, was one of three spokesmen who told how Hollywood anti-Communist organizations in "1946 beat the Reds at their own game of organizing cells, outstaying them at meetings, and using parliamentary procedure to further their aims."

The "Times," a Los Angeles daily newspaper, on June 10, 1957, carried an item regarding the awarding to RONALD REAGAN, screen and television star, of the honorary degree of Doctor of Humane Letters by his Alma Mater Eureka College, Eureka, Illinois. Among other things, the school cited the actor's understanding and courage in recognizing and exposing Communists and their influence during his term as President of the Screen Actor's Guild.

LA 116-70463

In April, 1946, Mr. HARVEY WOLF, a Communist Party member from 1933, to 1934, who died January 13, 1964, advised that RONALD REAGAN, screen actor, was listed as a sponsor and director of the Los Angeles Committee for a Democratic Far Eastern Policy.

The Committee for a Democratic Far Eastern Policy has been designated by the Attorney General pursuant to Executive Order 10450.

The "Los Angeles News" issue, April 29, 1946, contains an article concerning the California State Convention of the American Veterans Committee which was held April 26, 1946, through April 28, 1946. This article reflects that film actor RONALD REAGAN is a member of the American Veterans Committee and was a toastmaster at a luncheon session of the convention.

The Fourth Report of Un-American Activities in California which is a report of the Joint Fact Finding Committee to the 1948 Regular California Legislature, dated at Sacramento, 1948, on Page 43, lists among other organizations, the American Veterans Committee, which is typical of organizations "faced with consistent Communist disruption and confusion." The report states that "the California Section of the American Veterans Committee falls into the Communist dominated class and is a vociferous, decadent minority in national AVC affairs."

The "Daily People's World" issue of September 7, 1946, on Page 3, contains an article stating that RONALD REAGAN was to star in "Operation Terror," first in a series of 13 weekly broadcasts entitled, "It's Happening Here," sponsored by the Mobilization for Democracy, on Monday night, September 9, 1946. It was announced that the program would be produced with the cooperation of the Hollywood Writers Mobilization.

The Mobilization for Democracy is cited as follows on Page 220 of the Guide to Subversive Organizations and Publications prepared and released by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C.

Ronald Reagan-1401

"1. 'One of the largest, and certainly one of the most potentially potent front organizations created by California Communists' since 1945. 'As an excuse for' its creation, the Communist Party seized upon the appearance of Gerald L. K. Smith in Los Angeles. It is 'a Communist-inspired and dominated organization, carefully window-dressed and directed' and 'engaged in inciting riots, racial hatred, and disrespect for law and order.' It is one of the 'key Communist fronts in California.'

"(California Joint Fact-Finding Committee on Un-American Activities, Report, 1947, pp. 48, 62, and 369.)"

The Hollywood Writers Mobilization for Defense is cited by the Attorney General pursuant to Executive Order 10450.

RE: [illegible]NCE

On January 31, 1967, United States Senator GEORGE MURPHY advised SA JAMES H. DILLON he has known RONALD REAGAN, present Governor of California, for approximately twenty eight years on a close social and professional basis. During the entire period of time they have been acquainted MURPHY rated REAGAN as an individual he felt was "as good as gold". He believes he is a person of outstanding character and he enjoys an excellent reputation. MURPHY has absolutely no doubt concerning applicant's loyalty as a citizen. Concerning this aspect MURPHY advised that at one time when the applicant was a labor leader the communists attempted to influence him. MURPHY said as soon as he realized the communists were trying to creep into his organization he immediately took steps which stopped their activities.

Based on the association MURPHY has had with REAGAN he would wholeheartedly recommend him for access to highly confidential data in which the Federal Government has an interest.

SUBJECT: RONALD WILSON REAGAN
ATOMIC ENERGY ACT

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED DATE 3-20-96 BY SSA98038DD/JAC

This is to advise that the background investigation of Reagan, the present Governor of California, requested by the Atomic Energy Commission (AEC) has been completed. As the Governor of California, Reagan will be a member of the Board of Regents of the University of California, which position has been classified as "highly sensitive" by AEC. All persons interviewed during the investigation made highly favorable comments concerning Reagan's character, loyalty, and associates.

Although Reagan has been extremely anticommunist since the latter part of the 1940's, in 1945 he was listed as a member of the Dinner Committee and appeared in a play at a meeting called by the Hollywood Independent Citizen's Committee of the Arts, Sciences, and the Professions. This organization later became known as the National Council of Arts, Sciences, and Professions. In 1946, Reagan starred in a radio program sponsored by the Mobilization for Democracy and produced with the cooperation of the Hollywood Writers Mobilization. The Southern California Committee of the National Council of Arts, Sciences, and Professions has been cited by the California Committee on Un-American Activities as a communist dominated propaganda media, and the Mobilization for Democracy has been cited by the California Joint Fact Finding Committee on Un-American Activities as a communist front. In 1946, Reagan was listed as a sponsor and director of the Los Angeles Committee for a Democratic Far Eastern Policy. In 1947, Reagan was listed as a sponsor of a recital put on by the Joint Anti-Fascist Refugee Committee. The Committee for a Democratic Far Eastern Policy, the Joint Anti-Fascist Refugee Committee, and the Hollywood Writers Mobilization for Defense have been cited pursuant to Executive Order 10450.

Memorandum to Mr. Gale
Re: Ronald Wilson Reagan

Reagan testified as a friendly witness before the House Committee on Un-American Activities in 1947 at which time he explained how he was duped through a telephone call to lend his name as a sponsor of the recital being sponsored by the Joint Anti-Fascist Refugee Committee in the same year.

Mr. Walter Glover, Director of Plant Security, Warner Brothers Pictures, Burbank, California, made highly complementary remarks concerning Mr. Reagan. He advised for the confidential information of the Bureau that he understood the true reason Reagan divorced his wife, actress Jane Wyman, was immorality on her part. Glover stated Jane Wyman had a reputation of promiscuity before, during, and after her marriage to Reagan. Glover stated that when Reagan found out about the actions of his wife, he divorced her.

The records of the Los Angeles Supreme Court show that a complaint for divorce was filed on May 6, 1948, between Jane Wyman Reagan and Ronald W. Reagan. Jane Wyman Reagan alleged her husband, Ronald W. Reagan, inflicted grievous mental suffering upon her, making it impossible for the parties to live happily together as husband and wife. Jane Wyman Reagan was granted an interlocutory divorce, June 28, 1948, and received custody of the two children. Under ordinary circumstances, the divorced spouse of an applicant is interviewed for their comments concerning the applicant; however, in view of the reported reputation of Jane Wyman, she is not being interviewed unless a specific request is received for such an interview from AEC.

ACTION:

If you approve, investigative reports setting forth the results of investigation of Reagan will be disseminated to AEC.

Captioned individual, who is Governor of California, was the subject of an applicant-type investigation conducted by this Bureau in 1967 in connection with his position as a member of the Board of Regents of the University of California. Inasmuch as the Board of Regents had access to sensitive material from the Atomic Energy Commission, our investigation was requested by the Atomic Energy Commission. No derogatory information was developed during this investigation.

In addition to the above, our files contain numerous references to Governor Reagan, but each reference contains either nonderogatory or nonpertinent data.

At the request of Alexander P. Butterfield, a White House name check was made in August, 1972, concerning Miss Maureen Reagan, daughter of Governor Reagan and actress Jane Wyman, in connection with a social function in the White House. Attached is a copy of the memorandum, classified "Confidential", dated August 21, 1972, concerning Miss Reagan, which was forwarded to the White House.

At 8:30 a.m. 1/6/75 Miss Jane Dannenhauer, Staff Assistant (Security), at the White House called Supervisor R.H. Haynes and advised that Mr. Phillip Areeda, Counsel to the President, had requested full-field investigations concerning Ronald Reagan, Lyman Lemnitzer, C. Douglas Dillon, Edgar Shannon, Jr., and John Connor. The White House desires the results of these investigations by the close of business 1/9/75. Miss Dannenhauer advised that she realized this was an extremely short deadline and that an oral report by that time concerning any substantial derogatory information would be satisfactory. This can be followed up by written reports as time permits.

As to other members of the Commission, we have just recently completed an investigation of Nelson A. Rockefeller in connection with his appointment as Vice President. Miss Dannenhauer asked that we "hold" the investigation of Joseph Lane Kirkland and Erwin N. Griswold pending further advice from the White House. She did not indicate the reason that investigations are not being requested at this time.

The Name Check Section previously furnished, on an expedite basis, background information on these individuals directly to Miss Dannenhauer on the evening of 1/3/75.

ACTION:

The Special Investigative Division has initiated expedite Special Inquiry Investigations on the above-named individuals.

RECORDS, TRAFFIC VIOLATIONS BUREAU, MUNICIPAL COURT, LOS ANGELES JUDICIAL DISTRICT, LOS ANGELES, NEGATIVE REGARDING REAGAN.

IT IS BEING NOTED THAT CAPTAIN OTTIE HUNTER, COMMANDING OFFICER OF THE CALIFORNIA HIGHWAY PATROL (CHP), SANTA BARBARA, CALIFORNIA, ADVISED THAT AT NO TIME HAD ANY TRAFFIC CITATION EVER BEEN ISSUED IN THE AREA HE IS COMMANDING TO RONALD REAGAN. HUNTER IS AWARE THAT REAGAN WAS STOPPED BY THE HIGHWAY PATROL SHORTLY AFTER CHRISTMAS AS HE WAS LEAVING HIS RANCH IN HIS STATION WAGON, WHICH WAS BEING DRIVEN BY A MEMBER OF THE CHP. PRECEEDING THE STATION WAGON WAS A PURSUIT VEHICLE, ACCOMPANYING REAGAN, WHICH WAS ~~MAINTAINED~~ manned BY MEMBERS OF THE CHP. AS THEY WERE MAKING THEIR WAY BACK TO REAGAN'S HOME AT PACIFIC PALISADES, CALIFORNIA, ANOTHER CHP CAR PURSUED REAGAN'S STATION WAGON AS IT RESEMBLED ONE WHICH WAS INVOLVED IN A CRIME. WHEN THIS PURSUING VEHICLE CAME ABREAST OF REAGAN'S STATION WAGON, HIS COMPANION CHP MEMBER ATTEMPTED TO CONTACT THE PURSUING CHP VEHICLE ON WHAT HUNTER TERMED WAS THE ADMINISTRATIVE RADIO CHANNEL. HOWEVER, THEY WERE UNSUCCESSFUL IN CONTACTING PURSUING CHP MEMBER. IT WAS AT THIS TIME THAT REAGAN'S CHP PARTY STOPPED THEIR VEHICLES TO INFORM THE PURSUING CHP MEMBERS OF ~~THEIR~~ the IDENTITY OF REAGAN. SAID THAT IN ALL OF THIS ASSOCIATION WITH REAGAN HE HAD NEVER SEEN OR HEARD OF ANYTHING WHICH MIGHT TEND TO DISCREDIT REAGAN'S CHARACTER, REPUTATION, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES. HE SAID REAGAN IS WELL READ, BRIGHT, PERCEPTIVE, AND A TRULY DISCIPLINED PERSON WHO STUDIES INTENTLY AND IS KNOWLEDGEABLE ABOUT GOVERNMENT AND WORLD AFFAIRS. HE STATED REAGAN CONSTANTLY LEARNS AND IMPROVES HIS ABILITIES AND GIVES VERY LITTLE TIME TO HIS OWN PLEASURES. HE STATED HE COULD HIGHLY RECOMMEND REAGAN FOR ANY POSITION OF GREAT TRUST AND RESPONSIBILITY.

(2) ON JANUARY 7, 1975, GUY R. OATES, CHIEF, CALIFORNIA STATE POLICE, SACRAMENTO, CALIFORNIA, STATED THAT HE HAS NO INFORMATION WHICH MIGHT SUGGEST ANY QUESTION AS TO THE GOOD CHARACTER, REPUTATION, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES OF RONALD REAGAN. HE STATED THAT HE CONSIDERS REAGAN TO BE A HIGHLY INTELLIGENT AND CAPABLE PERSON WHOM HE WOULD READILY RECOMMEND FOR ANY POSITION OF TRUST AND RESPONSIBILITY.

HOWEVER, HE SAID HE HAS FOUND REAGAN TO BE HONEST AND LOYAL TO WHATEVER CAUSE HE IS PURSUING. HE CHARACTERIZED REAGAN AS A CAPABLE AND WILLING WORKER. HE SAID REAGAN'S BACKGROUND IS UNQUESTIONABLE AND THAT HE KNEW OF NOTHING WHICH MIGHT CAUSE QUESTION OF HIS CHARACTER, REPUTATION, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES.

ASSEMPLYMAN BROWN SAID THAT HE HAS FOUND REAGAN TO BE TOTALLY RESPONSIBLE AND OBJECTIVE AND THAT HE WOULD TAKE ANY ASSIGNMENT AND PERFORM TO HIS MAXIMUM. HE STATED HE WOULD RECOMMEND REAGAN TO ANY APPOINTMENT OR COMMITTEE AND FELT CONFIDENT HE

WOULD FULFILL ALL OF HIS DUTIES.

(5) ON JANUARY 7, 1975, MERVYN M. DYMALLY, LIEUTENANT GOVERNOR (NEWLY ELECTED), STATE CAPITOL BUILDING, SACRAMENTO, CALIFORNIA, ADVISED THAT, WHILE HE DISAGREED WITH EX-GOVERNOR REAGAN PHILOSOPHICALLY ON MINORITY PROBLEMS, HE WOULD CONSIDER REAGAN'S APPOINTMENT AS A VERY GOOD BALANCE OF INTEGRITY AND INTERRELATIONSHIPS. HE SAID HE WOULD HAVE ONLY FAVORABLE COMMENT CONCERNING REAGAN'S CHARACTER, REPUTATION, HABITS, ASSOCIATES, AND LOYALTY TO THE UNITED STATES.

DYMALLY SAID HE HAS NEVER FOUND REAGAN TO BE UNTRUTHFUL IN ANY SITUATION. HE SAID THAT REAGAN HAS UPGRADED THE OFFICE OF LIEUTENANT GOVERNOR. HE FELT THAT REAGAN HAD THE ABILITY TO HANDLE AN IMPORTAND POSITION. HE RECOMMENDED HIM.

(6) ON JANUARY 7, 1975, ANTHONY KENNEDY, ATTORNEY AT LAW, 455 CAPITOL MALL, SACRAMENTO, CALIFORNIA, ADVISED HE HAS KNOWN RONALD REAGAN SINCE THE SPRING OF 1973. HE WORKED WITH MR. REAGAN DRAFTING PROPOSITION ONE, A TEAX REFORM MEASURE FOR THE BALLOT. DURING THAT TIME HE LEARNED MR. REAGAN IS A MAN WITH A BRILLIANTLY

ORGANIZED MIND WHO HAS THE ABILITY TO ABSORB A GREAT AMOUNT OF FACTS AND VERBALIZE THEM. HE HAS AN EXTREMELY ACUTE MIND. MR. REAGAN IS AN EXCELLENT JUDGE OF CHARACTER, AND HE WOULD HIGHLY RECOMMEND HIM AS TO HIS CHARACTER, REPUTATION, LOYALTY, TO THE UNITED STATES AND STATED REAGAN HAS THE ABILITY TO HANDLE ANY PRESIDENTIAL APPOINTMENT.

(7) ON JANUARY 7, 1975, JOHN DIEPENBROCK, ATTORNEY, 455 CAPITOL MALL, ADVISED HE HAS KNOWN MR. RONALD REGAN FOR SIX YEARS AND CONSIDERS MR. REAGAN EXTREMELY CAPABLE AND RELIABLE. HE WOULD RECOMMEND MR. REAGAN FOR ANY PRESIDENTIAL APPOINTMENT WITHOUT RESERVATION. MR. REAGAN'S CHARACTER AND REPUTATION IS ABOVE REPROACH AND HE IS A LOYAL AMERICAN.

(8) ON JANUARY 7, 1975, JOHN HAY, PRESIDENT, CALIFORNIA CHAMBER OF COMMERCE, 455 CAPITOL MALL, ADVISED HE HAS KNOWN MR. RONALD REAGAN SINCE AUGUST, 1967. HE STATED THAT MR. REAGAN IS A TOTALLY FAIR MAN OF GOOD CHARACTER AND HABITS AND RELIABLE IN ALL THINGS. HE KNOWS MR. REAGAN TO A LOYAL AMERICAN. MR. REAGAN'S CREDIBILITY IS EXCELLENT AND HE WOULD HIGHLY RECOMMEND HIM FOR

ANY GOVERNMENTAL POSITION.

(9) HENRY H. STEINMETZ, JR., VICE PRESIDENT AND MANAGER, BANK OF CALIFORNIA, SACRAMENTO, CALIFORNIA, WAS CONTACTED JANUARY 7, 1975, AND ADVISED THAT HE HAS KNOWN FORMER GOVERNOR RONALD REAGAN FOR THE PAST EIGHT YEARS. STEINMETZ CHARACTERIZED REAGAN AS HAVING UNQUESTIONABLE CHARACTER, INTEGRITY AND REPUTATION, AND STATED THAT HE WOULD RECOMMEND HIM FOR ANY POSITION OF TRUST AND RESPONSIBILITY.

(10) UNITED STATES DISTRICT COURT JUDGE PHILLIP C. WILKINS, EASTERN DISTRICT OF CALIFORNIA, SACRAMENTO, CALIFORNIA, ON JANUARY 7, 1975, DISCLOSED THAT HE HAS KNOWN FORMER GOVERNOR RONALD REAGAN FOR APPOXIMATELY EIGHT YEARS, ALTHOUGH DURING THAT PERIOD OF TIME HIS ASSOCIATION WITH REAGAN HAS BEEN LIMITED. JUDGE WILKINS STATED THAT HE IS OF THE OPINION THAT GOVERNOR REAGAN PROVED TO BE A MAN OF INTEGRITY WHILE IN OFFICE IN THAT I APPEARED TO HIM THAT REAGAN TRIED HARDER THAN ANY OF HIS PREDECESSORS TO FULFILL HIS POLITICAL PROMISES. BASED ON A LIMITED ASSOCIATION WITH REAGAN, WILKINS STATED THAT HE WOULD RECOMMEND HIM FOR ANY

POSITION OF TRUST AND RESPONSIBILITY.

(11) SACRAMENTO COUNTY MUNICIPAL COURT JUDGE ROTHWELL B. MASON, CONTACTED JANUARY 7, 1975, DISCLOSED THAT HE HAS PERSONALLY KNOWN FORMER GOVERNOR RONALD REAGAN FOR APPOXIMATELY TWO AND ONE HALF YEARS. HE STATED THAT ALTHOUGH HIS SOCIAL CONTACT WITH REAGAN HAS BEEN LIMITED, HE KNOWS HIM TO BE OF EXCELLENT REPUTATION AND ONE WHO HAS MAINTAINED OUTSTANDING PERSONAL HABITS. HE FURTHER DESCRIBED HIM AS BEING OF UNQUESTIONABLE CHARACTER AND INTEGRITY AND WITHOUT QUESTION WOULD RECOMMEND HIM FOR ANY POSITION OF RESPONSIBILITY.

b6

(12) EDWARD M. WRIGHT [redacted] SACRAMENTO, CALIFORNIA, WAS INTERVIEWED JANUARY 7, 1975, AND PROVIDED THE FOLLOWING INFORMATION. HE HAS BEEN PERSONAL FRIEND OF FORMER GOVERNOR RONALD REAGAN FOR APPOXIMATELY EIGHT YEARS AND HAS SEEN HIM FREQUENTLY ON A SOCIAL BASIS. HE HIGHLY RECOMMENDS REAGAN FOR AN POSITION OF RESPONSIBLITY. WRIGHT FURTHER ADVISED HE KNOWS OF NO UNFAVORABLE INFORMATION REGARDING REAGAN'S CHARACTER, REPUTATION, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES.

(13) FRANK J. WALTON, FORMER CALIFORNIA STATE SECRETARY OF BUSINESS AND TRANSPORTATION, HOME ADDRESS [redacted] SACRAMENTO, CALIFORNIA, ON JANUARY 7, 1975, ADVISED HE HAS KNOWN RONALD REAGAN ON A PROFESSIONAL BASIS FOR APPROXIMATELY THREE AND ONE HALF YEARS SINCE HIS APPOINTMENT BY REAGAN TO THE ABOVE NAMED POSITION. HE ADVISED HE WOULD HIGHLY RECOMMEND REAGAN FOR ANY POSITION OF RESPONSIBLITY AND COSIDERS HIM TO BE TRUSTWORTHY, ABLE, AND HONEST INDIVIDUAL. WALTON STATED HE KNEW OF NO UNFAVORABLE INFORMATION CONCERNING REAGAN'S CHARACTER, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES.

b6
b7C

(14) FORMER CALIFORNIA STATE SENATOR HUGH M. BURNS, SACRAMENTO, CALIFORNIA ADVISED JANUARY 7, 1975, HE HAS KNOWN REAGAN FOR APPROXIMATELY EIGHT YEARS ON A PROFESSIONAL BASIS. HE HIGHLY RECOMMENDS REAGAN FOR ANY POSITION OF RESPONSIBILITY, STATING IN HIS OPINION, REAGAN IS ABLE, HONEST, AND FORTHRIGHT. HE FURTHER STATED HE KNEW NOTHING OF AN UNFAVORABLE NATURE CONCERNING MR. REAGAN.

(15) ON JANUARY 7, 1975, RICHARD RODDA, POLITICAL EDITOR, "THE

SACRAMENTO BEE" NEWSPAPER, ADVISED THAT HE WOULD NOT APPOINT RONALD REAGAN TO A POSITION IN GOVERNMENT BECAUSE THEY DISAGREE POLITICALLY. HOWEVER, HE STATED HE WOULD RECOMMEND REAGAN AS AN ABLE PERSON WHOSE INTEREST IS FOR THE GOOD OF THE COUNTRY AND ABOUT WHOSE CHARACTER, INTEGRITY, HABITS, ASSOCIATES, AND LOYALTY TO THE UNITED STATES HE WOULD HAVE NO QUESTION.

(16) ON JANUARY 7, 1975, EARL BEHRENS, FORMER POLITICAL EDITOR AND CURRENTLY POLITICAL CONSULTANT TO "THE SAN FRANCISCO CHRONICLE" NEWSPAPER, STATED HE KNOWS RONALD REAGAN TO BE A MAN WHOSE INTEGRITY SHOULD BE STRESSED AND ABOUT WHOSE CHARACTER, REPUTATION, HABITS, ASSOCIATES, AND LOYALTY TO THE UNITED STATES THERE SHOULD BE NO QUESTION. HE SAID REAGAN IS HIGHLY INTELLIGENT AND A QUICK LEARNER. HE STATED HE WOULD MAKE THE HIGHEST RECOMMENDATION OF REAGAN FOR ANY POSITION IN GOVERNMENT.

(17) ON JANUARY 7, 1975, ASSEMPLYMAN VINCENT THOMAS, ROOM 4116, STATE CAPITOL BUILDING, DESCRIBED RONALD REAGAN AS A MAN OF HIS WORD, WHO WAS VERY STRAIGHT FORWARD AND AN OUTSTANDING GOVERNOR. HE STATED HE HAS SERVED IN THE LEGISLATURE UNDER SIX GOVERNORS

AND MR. REAGAN IS AT THE TOP OF THIS LIST. HE STATED HE WOULD RECOMMEND MR. REAGAN FOR ANY HIGH POSITION OF TRUST WITH THE GOVERNMENT.

(18) ON JANUARY 7, 1975, SENATOR RANDOLPH COLLIER, ROOM 5065, STATE CAPTIOL BUILDING, SACRAMENTO, CALIFORNIA, ADVISED THAT HE IS A DEMOCRAT AND HAS KNOWN RONALD REAGAN FOR EIGHT YEARS DURING WHICH TIME MR. REAGAN WAS GOVERNOR OF CALIFORNIA. HE STATED HE CONSIDERED MR. REAGAN AT THE TOP OF THE LIST OF GOVERNORS UNDER WHICH HE HAS SERVED. HE STATED MR. REAGAN IS A GREAT ADMINISTRATOR, DOES HIS OWN THINKING, AND THEN DOES SOMETHING ABOUT IT. HE STATED THERE IS NO QUESTION AS TO REAGAN'S CHARACTER, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES AND NOTHING "WISHY WASHY" ABOUT MR. REAGAN, AND HE WOULD ~~HIGHLY~~ RECOMMEND HIM FOR A POSITION OF TRUST WITH THE UNITED STATES GOVERNMENT.

(19) ON JANUARY 7, 1975, A. ALAN POST, LEGISLATIVE ANALYST, STATE OF CALIFORNIA, ADVISED THAT HE HAS KNOWN RONALD REAGAN PROFESSIONALLY FOR EIGHT YEARS, BUT KNOWS NOTHING OF HIS PERSONAL LIFE. HE SAID HE KNOWS OF NOTHING WHICH WOULD CAUSE QUESTION OF

REAGAN'S CHARACTER, HABITS, ASSOCIATES, OR LOYALTY TO THE UNITED STATES.

POST SAID HE CONSIDERS REAGAN TO BE A PERSONABLE MAN WHO IS EXTRAORDINARILY CAPABLE AND WHO CAN SIZE UP SITUATIONS IN AN ORDERLY WAY AND MAKE DECISIONS EFFECTIVELY AND QUICKLY. HOWEVERY, HE STATED HE WOULD HESITATE TO RECOMMEND REAGAN FOR A GOVERNMENT POSITION BECAUSE HE IS NOT CONFIDENT REAGAN WOULD BE WILLING TO ADMIT ANY DEFICIENCIES WHICH HE MIGHT DISCOVER IF IT PROVED TO BE POLITICALLY EMBARRASSING.

POST SAID HE AGREED WITH MUCH OF WHAT REAGAN TRIED TO DO AS GOVERNOR OF CALIFORNIA. HOWEVER, HE HAS CONCLUDED OVER THE YEARS THE APPOINTEE DEMONSTRATED WHAT POST THOUGHT TO BE A LACK OF INTELLECTURAL HONESTY BECAUSE HE WAS SO INTENT TO ACHIEVE HIS DESIRED OBJECTIVES HE TRIED TO GET BY WITHOUT ADHERING TO THE LAW AND RULES AS THEY AFFECTED THE DRAFTING OF LEGISLATION. CONSEQUENTLY POST SAID HE HAD MANY DIFFERENCES WITH THE GOVERNOR'S OFFICE DURING REAGAN'S TENURE.

POST GAVE THE EXAMPLE OF A PROPOSITION PLACED ON THE BALLOT

IN 1974. THE RESPONSIBILITY OF POST'S OFFICE WAS TO ANALYZE THE PROPOSED LEGISLATION AND INFORM THE VOTERS AS TO ANTICIPATED COST. HE ESTIMATED THE COST OF THE MEASURE TO BE ABOUT FIFTY THOUSAND DOLLARS, AND INSIGNIFICANT AMOUNTY. BUT REAGAN WANTED IT TO APPEAR TO BE COST FREE. POST HAD FACTS SHOWING THIS WAS NOT THE CASE AND WOULD NOT AGREE TO THE PUBLIC STATEMENT DESIRED BY REAGAN. THERE AS A "DONNYBROOK". POST PREVAILED. THE MATTER COULD HAVE BEEN HANDLED MORE EASILY BY THE GOVERNOR IF HE WOULD HAVE BEEN FORTHRIGHT AND ADMITTED THE SMALL ERROR IN THE ORIGINAL DRAFT. POST SAID THERE WERE NUMEROUS SIMILAR CASES.

POST WAS DISAPPOINTED WITH REAGAN BECAUSE HE APPEARED MORE INTERESTED IN POLITICAL POSTURE THAN FACING THE FACTS, AND WHEN THE LAW WOULD NOT PERMIT A DESIRED STEP, ~~EITHER~~ ADJUST TO CONFORM WITH THE LAW OR SEEK NECESSARY CHANGE IN THE LAW TO PERMIT HIM TO PROCEED. ~~ON THE CONTRARY HE SAID~~ REAGAN BELABORED POST'S OFFICE AND ACCUSED POST OF DISHONESTY.

POST CONCLUDED THERE HAS BEEN TOO MUCH WILLINGNESS OF GOVERNMENT OFFICIALS TO LOOK THE OTHER WAY WHEN HE SHOULD BE

CONCERNING WITH OPEN AND HONEST GOVERNMENT. HE IS CONCERNED THAT REAGAN MIGHT BE ANOTHER OF THOSE WHO WOULD BYPASS THE LAW TO MAINTAIN THE BEST PUBLIC IMAGE.

(20) JESSE UNRUH, STATE TREASURER (NEWLY ELECTED), STATE OF CALIFORNIA, ROOM 119, STATE CAPITOL BUILDING, SACRAMENTO, CALIFORNIA, ADVISED ON JANUARY 7, 1975, THAT RONALD REAGAN'S LOYALTY AND INTEGRITY ARE ABOVE REPROACH. HE SAID HE HAD NO COMMENT AS TO REAGAN'S CHARACTER, HABITS, OR ASSOCIATES, BECAUSE REAGAN KEPT HIS PERSONAL LIFE OUT OF THE LIMELIGHT.

UNRUH SAID THAT HE WOULD NOT APPOINT REAGAN TO ANY COMMITTEE OR GOVERNMENT POSITION BECAUSE HE DID NOT BELIEVE THAT REAGAN HAD ANY COMPASSION AT ALL TOWARD PEOPLE AND BECAUSE OF THE MILITARISTIC ATTITUDE HE MAINTAINED WITH HIS OWN STAFF AND PEOPLE.

(21) ON JANUARY 7, 1975, SPEAKER OF THE ASSEMBLY LEO T. MC CARTHY, Dem ROOM 3161, STATE CAPITOL BUILDING, SACRAMENTO, CALIFORNIA, STATED HE HAS KNOWN MR. REAGAN FOR APPOXIMATELY EIGHT YEARS AND HE CONSIDERED HIM A VERY HONEST INDIVIDUAL OF GOOD HABITS,

ASSOCIATES AND LOYALTY TO THE UNITED STATES AND WHO IS DEDICATED TO HIS COUNTRY'S BEST INTERESTS. HE STATED MR. REAGAN WAS DEVOTED TO HIS DUTIES AS GOVERNOR OF CALIFORNIA AND HE PERSONALLY KNEW OF NO CHARACTER FLAWS REGARDING MR. REAGAN. MR. MC CARTHY WOULD NEITHER RECOMMEND OR NOT RECOMMEND MR. REAGAN FOR A GOVERNMENT POSITION.

22 ON JANUARY 7, 1975, JAMES R. MILLS, SPEAKER OF THE SENATE, D SM. ROOM 5100, STATE CAPITOL BUILDING, ADVISED HE HAS KNOWN RONALD REAGAN FOR EIGHT YEARS AND CONSIDERS MR. REAGAN A MAN OF VERY STRONG OPINION WHO TRIED TO ARRIVE AT DECISIONS PRIOR TO RECEIVING OPINIONS OF OTHERS. HE STATED MR. REAGAN IS A VERY INTELLIGENT AND ABLE INDIVIDUAL, AND THAT HE HAS NO QUESTION OF REAGAN'S CHARACTER, HABITS, ASSOCIATES OR LOYALTY TO THE U. S. WHEN ASKED IF HE WOULD RECOMMEND REAGAN FOR A GOVERNMENTAL POSITION, ADVISED THAT HE WOULD ~~ONLY STATE HIS~~ RELATIONSHIP WITH MR. REAGAN WAS NOT VERY GOOD. HE SUMMARIZED HIS OPINION OF MR.

REAGAN BY SAYING, "IT'S DIFFICULT FOR HIM TO BE OBJECTIVE ON MAY ISSUES.".

(23) EDMUND G. BROWN, JR., GOVERNOR, STATE OF CALIFORNIA, ADVISED THAT HE HAD BEEN ASSOCIATED WITH FORMER GOVERNOR RONALD REAGAN IN THE STATE GOVERNMENT FOR THE PAST FOUR YEARS. HE SAID HE CONSIDERED REAGAN TO HAVE BEEN A GOOD GOVERNOR, HOWEVER, HE PERSONALLY FEELS REAGAN GREATLY OVER EMPHASIZED PERSONAL SECURITY FOR HIMSELF TO THE POINT OF GREATLY EXPANDED SECURITY DEPARTMENT. HE POINTED OUT FURTHER HE FELT REAGAN WAS OVERLY SOLICITIOUS OF THE NATIONAL GUARD AND THE STATE LAW ENFORCEMENT AGENCIES, TO THE POINT WHERE THE NATIONAL GUARD, THE DEPARTMENT OF JUSTICE, AND THE STATE POLICE BUDGETS WERE NOT SUBJECT TO FISCAL REVIEW BY THE STATE AUDITORS OFFICE, BUT THE BUDGETS WENT DIRECTLY TO REAGAN, WHO APPROVED THEM. HE FURTHER STATED REAGAN DISPLAYED, IN HIS ESTIMATION, A GREAT DISTRUST FOR THE PROFESSIONAL CAREER CIVIL SERVICE EMPLOYEE

AND HAS EXPRESSED TO HIM THAT HE, REAGAN, FELT THE CALIFORNIA STATE EMPLOYEES ASSOCIATION AND ITS OFFICIALS WERE NOT ENTIRELY TRUTHFUL.

GOVERNOR BROWN SAID HE FELT PERSONALLY THAT REAGAN WAS OUT OF TOUCH WITH THE "COMMON MAN", RESTRICTING HIS OWN ASSOCIATES TO A VERY WEALTHY CIRCLE OF CLOSE FRIENDS. HE HAD KNOWLEDGE OF NOTHING TO CAUSE QUESTION AS TO REAGAN'S CHARACTER, HABITS, ASSOCIATES OR LOYALTY TO THE UNITED STATES.

GOVERNOR BROWN STATED HE ASSUMES THIS INVESTIGATION IS CONCERNING REAGAN'S RECENTLY ANNOUNCED APPOINTMENT TO THE COMMISSION TO REVIEW THE CIA, AND HE FELT PERSONALLY THAT REAGAN'S APPARENT OVER-EMPHASIS ON SECURITY AND LAW ENFORCEMNT MATTERS WOULD RAISE A QUESTION OF POSSIBLE BIAS IN FAVOR OF THE CIA. HE SAID HE WOULD NOT PERSONALLY MAKE ANY COMMENT CONCERNING A RECOMMENDATION, BUT FELT THAT THESE POINTS SHOULD BE BROUGHT TO THE ATTENTION OF THE APPOINTING AUTHORITIES FOR CONSIDERATION.

(2J) SERGEANT DALE ROWLEE, CALIFORNIA HIGHWAY PATROL, SACRAMENTO, ADVISED HE HAS KNOWN RONALD REAGAN SINCE DECEMBER, 1966 AS REAGAN'S PERSONAL DRIVER, WHICH ASSIGNMENT CARRIED THE ADDITIONAL RESPONSIBILITY OF BEING THE PERSONAL BODY GUARD FOR THE GOVERNOR. HE WAS PROBABLY AS CLOSELY ASSOCIATED WITH REAGAN AS ANYONE IN THE ADMINISTRATION. HE SAID DURING THAT TIME, HE FOUND GOVERNOR REAGAN TO BE AS FINE A MAN AS HE HAS EVER MET. HE WAS ABSOULTELY HONEST IN EVERY WAY, AND THERE WAS NEVER A POSSIBILITY OF ANY IMMORAL ACT ON REAGAN'S PART IN ANY WAY. EHE SAID HE HAS SEEN REAGAN GET QUITE ANGRY ON OCCATIONS, BUT HAS NEVER SEEN HIM EVER SPEAK OR ACT IN A DEMEANING MANNER TOWARD ANYONE. HE SAID CALIFORNIA HAS LOST A VERY GREAT ASSET TO THE STATE GOVERNMENT, AND BASED ON HIS CLOSE ASSOCIATION WITH REAGAN IN THE PAST EIGHT YEARS, HE WOULD RECOMMEND HIM TO ANY POSITION OR ASSIGNMENT FOR WHICH HE MAY BE CONSIDERED.

(26) MR. CLYDE E. WALTHALL, PRESS SECRETARY FOR FORMER GOVERNOR RONALD REAGAN, ADVISED HE HAS HAD THIS ASSIGNMENT SINCE MARCH, 1972. HE SAID PRIOR TO THAT TIME, HE WORKED FOR THE REPUBLICAN MINORITY LEADER IN THE CALIFORNIA STATE ASSEMBLY, AND IN THAT CAPACITY HAD SOME ASSOCIATION WITH REAGAN. HE SAID FIRST, THERE IS ABSOLUTELY NO QUESTION OF REAGAN'S LOYALTY TO THE UNITED STATES. HE IS A MAN OF GREAT PATRIOTISM, WHO HAS NEVER DONE ANYTHING OR SAID ANYTHING THAT WOULD REFLECT UNFAVORABLY ON HIS HIGH MORAL CHARACTER OR INTEGRITY. HE HAD A RULE THAT HIS STAFF MUST FOLLOW, THAT WENT, " OBEY ALL RULES OR GET OUT". THIS MEANT ANY LAWS AND ANY OF HIS PERSONAL HIGH MORAL STANDARDS, AND BECAUSE OF THIS AND THE FACT THAT REAGAN FOLLOWED THIS RULE STRICTLY, THERE WAS NO SCANDAL WITH ANY PART OF THE REAGAN ADMINISTRATION AND ON SEVERAL OCCASIONS WHEN THERE WAS EVEN A HINT OF A CONFLICT OF INTEREST, HE ASKED

FOR AND RECEIVED THE RESIGNATION OF SEVERAL OF HIS STAFF MEMBERS. MR. WALTHALL ADVISED THAT WITHOUT ANY HESITATION, HE WOULD RECOMMEND RONALD REAGAN TO ANY POSITION WITH THE GOVERNMENT OF THE UNITED STATES.

(27) ON JANUARY 7, 1975, HONORABLE HUGH EVANS, JUDGE, THIRD DISTRICT COURT OF APPEALS, STATE OF CALIFORNIA, SACRAMENTO, ADVISED HE HAS KNOWN GOVERNOR RONALD REAGAN PROFESSIONALLY FOR THE PAST EIGHT YEARS, AND ALTHOUGH HE HAS SOME REASON TO BE BIASED INASMUCH AS REAGAN APPOINTED HIM TO THE SACRAMENTO COUNTY SUPERIOR COURT BENCH AND JUST RECENTLY TO THE THIRD DISTRICT COURT OF APPEALS, HE SAID THE GOVERNOR WAS A MAN OF THE HIGHEST INTEGRITY. HE SAID HE HAS NEVER HEARD ANY COMMENTS THAT WOULD DISTRACT FROM REAGAN'S MORAL CHARACTER OR HIS HONESTY IN ANY WAY. THERE IS ABSOLUTELY NO QUESTION TO HIS LOYALTY TO THE UNITED STATES. HE POINTED OUT IN CONNECTION WITH REAGAN'S JUDICIAL APPOINTMENTS, HE HAS

APPOINTMENT BOTH DEMOCRAT AND REPUBLICAN IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE STATE BAR ASSOCIATION. JUDGE EVANS ADVISED THAT BASED ON HIS KNOWLEDGE OF REAGAN, HE WOULD NOT HESITATE TO RECOMMEND HIM TO THE HIGHEST POSITION TO WHICH HE MAY ASPIRE.

ON JANUARY 7, 1975, A REVIEW WAS MADE OF NEWSPAPER CLIPPINGS PERTAINING TO RONALD REAGAN, WHICH ARE CONTAINED IN THE LIBRARY IN THE SACRAMENTO BEE.

THE SACRAMENTO BEE IS ONE OF TWO SACRAMENTO, CALIFORNIA DAILY NEWSPAPERS, WHICH WAS ADOPTED A MORE LIBERAL POLITICAL PHILOSOPHY GENERALLY IN FAVOR OF DEMOCRATIC CANDIDATES AND IN OPPOSITION TO THE PHILOSOPHY OF THE GOVERNOR RONALD REAGAN ADMINISTRATION.

THE LIBRARY CONTAINED MANY ARTICLES ABOUT REAGAN AND HIS ADMINISTRATION, AND THE ONLY SPECIFIC ITEMS NOTED WHICH CAST AN UNFAVORABLE LIGHT ON REAGAN'S CHARACTER WERE ITEMS APPEARING

IN OCTOBER AND NOVEMBER 1967, CHARGING THAT REAGAN HAD CONCEALED INFORMATION AND TAKEN NO ACTION FOR SIX MONTHS CONCERNING SEVERAL ALLEGED HOMOSEXUALS ON HIS STAFF. THE SACRAMENTO BEE CHARGES WERE BASED ON ARTICLES APPEARING IN TIME AND NEWSWEEK MAGAZINES AND AN ARTICLE BY COLUMNIST DREW PEARSON AT THE SAME TIME.

(26) ON JANUARY 7, 1975, [redacted] SACRAMENTO, CALIFORNIA, ADVISED THAT HE WAS [redacted] DURING 1967 AND THAT IN ABOUT AUGUST, 1967, INFORMATION WAS RECEIVED CONCERNING POSSIBLE HOMOSEXUAL ACTIVITIES ON THE PART OF REAGAN STAFF MEMBERS. [redacted] CONDUCTED A VERY DISCREET INVESTIGATION FOR A PERIOD OF THREE OR FOUR WEEKS WITHOUT ADVISING REAGAN OF THEIR ACTIVITIES. ON A FRIDAY EVENIGN NEAR THE END OF AUGUST, 1967, VAN COURT

b6
b7C

AND OTHERS ADVISED REAGAN OF THE ALLEGATIONS CONCERNING THESE STAFF MEMBERS AND THEIR FINDINGS TO DATE. REAGAN'S IMMEDIATE RESPONSE WAS,ALL RIGHT, THEY HAVE GOT TO GO". THE NEXT DAY, A SATURDAY, THE STAFF MEMBERS IN QUESTION WERE LOCKED OUT OF THEIR OFFICES AND THEIR RESIGNATIONS SOUGHT, OBTAINED, AND ACCEPTED. NO FURTHER INVESTIGATION WAS CONDUTED AND NO DISCLOSURE WAS MADE OF THE INCIDENT BY REAGAN, AS HE STATED HE DID NOT WISH TO RUIN THESE PEOPL'S FAMILIES AND CAREERS.

[redacted] STATED HE PRACTICALLY LIVED WITH REAGAN. b6 b7C HE CAME TO KNOW HIM EXTREMELY WELL AND FOUND HIM TO BE PROBABLY THE MOST NEARLY PERFECT PERSON FOR WHOM HE HAS EVER WORKED, AND IN HIS OPINION, FOUND HIM TO BE EXTREMELY CAPABLE, HONEST, AND OF THE HIGHEST INTELLIGENCE AND MORAL CHARACTER. HE STATED THAT REAGAN CONSTANTLY STUDIED MATERIAL ON THE VARIOUS ISSUES WHICH WOULD REQUIRE DECISIONS ON HIS PART AND THAT

BASED ON HIS OBSERVATIONS, HE FELT THAT REAGAN WOULD BE CAPABLE OF HANDLING ANY JOB IN THE U. S. GOVERNMENT WHICH WAS OFFERED TO HIM.

29 MARTIN SMITH, MANAGING EDITOR, "THE SACRAMENTO BEE" NEWSPAPER, ADVISED THAT HE HAD BEEN A REPORTER WITH THE "BEE" AND HAD COVERED AND TRAVELED WITH REAGAN FROM 1965 TO 1970. DURING THIS TIME HE CAME TO KNOW REAGAN VERY WELL AND FOUND HIM TO BE AMOST HONEST PERSON OF THE HIGHEST MORAL CHARACTER. HE OBSERVED THAT REAGAN WAS A VERY CAPABLE ADMINISTRATOR, AND WHILE HE DID NOT ALWAYS AGREE WITH REAGAN'S PHILOSOPHIES AND POLICIES, HE NOTED THAT REAGAN WAS WELL VERSED ON THE VARIOUS ISSUED OF THE DAY.

SMITH STATED THAT HE HIMSELF HAD PERHAPS MELLOWED SOMEWHAT AND HE FOUND HIMSELF AGREEING WITH REAGAN'S VIEW-POINTS MORE LATELY, AND HE FELT THAT REAGAN WOULD BE A MOST CAPABLE ADMINISTRATOR IN A HIGH GOVERNMENT POSITION OF TRUST AND RESPONSIBILITY.

CHARLES K. (C.K.) MC CLATCHY, EDITOR AND VICE PRESIDENT, "THE SACRAMENTO BEE" NEWSPAPER, ADVISED THAT HIS PAPER HAD BEEN POLITICALLY OPPOSITE OF REAGAN'S POLICIES AND WAS CONTINUALLY AT ODDS WITH HIM AND HIS ADMINISTRATION. HOWEVER, DURING THE EIGHT YEARS OF THE REAGAN ADMINISTRATION, NO POSITIVE INFORMATION WAS EVER UNCOVERED CONCERNING REAGAN WHICH WOULD REFLECT ON HIS CHARACTER OR INTEGRITY. MC CLATCHY DESCRIBED REAGAN AS "MR. CLEAN", AND ADDED THAT IF REAGAN HAD EVER DONE ANYTHING WRONG, THE "BEE" WOULD HAVE FOUND OUT ABOUT IT AND WOULD HAVE MADE FRONT PAGE NEWS OF IT.

CREDIT RECORDS ARE SATISFACTORY AND NO ARREST RECORD WAS LOCATED AT SACRAMENTO FOR THE APPOINTEE OR HIS WIFE, NANCY.

RESULTS OF ADDITIONAL INVESTIGATION BEING CONDUCTED AT SACRAMENTO WILL BE SUBMITTED BY TELETYPE AS THEY BECOME AVAILABLE.

GIVE A RECOMMENDATION REGARDING REAGAN.

(3) ASSEMBLYMAN LEROY GREEN, STATE CAPITOL, SACRAMENTO, CALIFORNIA, ADVISED HE HAS KNOWN RONALD REAGAN FOR APPOXIMATELY EIGHT YEARS, AND STATED HE CONSIDERED HIM A VERY HIGH PRINCIPALED INDIVIDUAL AND HIGHLY MOTIVATED. HE STATED HE WOULD TRUST MR. REAGAN TO DO WHAT HE SAYS HE WILL DO. HE STATED THEIR JUDGMENT DIFFERED ON SEVERAL ISSUES AND DID NOT DESIRE TO MAKE A RECOMMENDATION IN ANY WAY REGARDING MR. REAGAN.

(4) ASSEMBLYMAN FRANK LANTERMAN, STATE CAPITOL BUILDING, SACRAMENTO, VICE CHAIRMAN, MINORITY WAYS AND MEANS COMMITTEE, ADVISED HE HAS KNOWN MR. REAGAN FOR APPROXIMATELY EIGHT YEARS AND HAS THE HIGHEST ADMIRATION AND RESPECT FOR HIS PERSONAL INTEGRITY AND HONESTY. HE STATED HE WAS AN OUTSTANDING GOVERNOR AND IS AN OUTSTANDING MAN. HE ALSO STATED MR. REAGAN LIVED AN EXEMPLARY FAMILY LIFE AND HE WOULD GIVE HIS HIGHEST RECOMMENDATION REGARDING MR. REAGAN FOR ANY POSITION OF PUBLIC TRUST.

(5) EDWIN MEESE, FORMER EXECUTIVE ASSISTANT TO RONALD REAGAN, ADVISED HE HAS WORKED FOR REAGAN FOR THE PAST EIGHT YEARS, AND ORIGINALLY WAS THE LEGAL AFFAIRS SECRETARY, AND FROM 1969 TO 1974, AS EXECUTIVE ASSISTANT. HE SAID HE HAS KNOWN REAGAN VERY CLOSELY ON BOTH A SOCIIAL AND PROFESSIONAL BASIS, HAVING TRAVELED THROUGHOUT THE UNITED STATES AND MANY COUNTRIES IN THE WORLD WITH HIM. HE SAID REAGAN IS A VERY RELIGIOUS MAN, WITH A DEEP SENSE OF PERSONAL REGARD FOR HIS COUNTRY AND GENUINELY FEELS HE IS A CITIZEN PERFORM-. ING A SERVICE FOR HIS COUNTRY. MR. MEESE SAID THERE IS ABSOLUTELY NO QUESTION OF HIS LOYALTY TO THE UNITED STATES. HE IS A MAN WITH THE HIGHEST INTEGRITY AND HONESTY AND A MAN OF INTELLIGENCE AND A VERY CAPABLE ADMINISTRATOR. IN HIS ESTIMATION, HE IS THE BEST POSSIBLE CHOICE FOR A HIGH LEVEL ASSIGNMENT IN THE UNITED STATES GOVERNMENT.

(6) MR. JACK VANDENBERG, OWNER OF VANDENBERG MOTORS, SACRAMENTO, CALIFORNIA, ADVISED HE HAS KNOWN GOVERNOR RONALD REAGAN FOR THE PAST

EIGHT YEARS. HE SAID HE FIRST MET HIM AT THE HORSE SHOW AT THE CALIFORNIA STATE FAIRGROUNDS, AND SINCE THAT TIME, HE HAS BEEN WITH THE GOVERNOR BOTH SOCIALLY AND PROFESSIONALLY. HE STATED THERE IS NO QUESTION OF REAGAN'S DEEP LOYALTY TO THE UNITED STATES AND HE IS A MAN OF THE HIGHEST INTEGRITY, A MAN OF EXCELLENT MORAL CHARACTER AND A MAN WHO IS VERY COMPASSIONATE TOWARDS THE NEEDS OF OTHER MEN. HE SAID REAGAN IS ALWAYS WILLING TO GIVE HIS TIME AND EFFORTS TO BENEFIT NEEDY CAUSES AND IS ALWAYS PERSONALLY GENEROUS WITH HIS CHARITABLE ACTIVITIES.

(6) EDWIN BEACH, ACTING DIRECTOR OF FINANCE FOR THE STATE OF CALIFORNIA, ADVISED HE HAS BEEN A CAREER STATE EMPLOYEE FOR THE PAST 30 YEARS, AND HAS KNOWN RONALD REAGAN FOR THE PAST EIGHT YEARS. HE SAID HE CONSIDERED RONALD REAGAN AS A GOOD GOVERNOR, AND WOULD BE "VERY COMFORTABLE" WITH REAGAN AS PRESIDENT OF THE UNITED STATES, KNOWING REAGAN WOULD ACT IN THE BEST INTERESTS OF THE UNITED STATES IN ANY WAY HE COULD. HE SAID REAGAN CAME INTO OFFICE WITH THE

PHILOSOPHY OF CURTAILING GOVERNMENT EXPENSE, AND DID SO. HE SAID HE ORGANIZED HIS ADMINISTRATION IN A PURE CABINET FORM OF GOVERNMENT WITH THE CABINET MEMBERS SIMILAR TO A CORPORATE BOARD OF DIRECTORS. HE SAID THE GOVERNOR DID NOT WORK DIRECTLY WITH CAREER STATE EMPLOYEES, HOWEVER, THE VARIOUS CABINET MEMBERS DID RELY HEAVILY ON THE CAREER EMPLOYEES WITHIN THEIR STATE AGENCIES. MR. BEACH ADVISED HE FELT GOVERNOR REAGAN OVER-EMPHASIZED, OR AT LEAST THROUGH HIS STAFF, THE PERSONAL SECURITY OF THE GOVERNOR, HOWEVER, HE DID NOTE THAT DURING PART OF THE ADMINISTRATION THERE WAS SOCIAL TURMOIL, INCLUDING RIOTS AND HIJACKING OF AIRCRAFT WHICH WOULD GIVE CONCERN TO SECURITY MEASURES AFFECTING THE GOVERNOR.

HE STATED REAGAN WAS A VERY STRONG ADVOCATE OF LAW AND ORDER AND IN CONNECTION WITH THAT ATTITUDE, THE BUDGET OF THE NATIONAL GUARD, THE STATE DEPARTMENT OF JUSTICE, AND THE STATE POLICE AGENCIES WERE NOT SUBJECT TO THE NORMAL FISCAL REVIEW OF THE DEPARTMENT OF FINANCE PRIOR TO BEING APPROVED BY THE GOVERNOR.

MR. BEACH ADVISED THAT HE WAS ASSUMING THE INQUIRY CONCERNING REAGAN WAS DUE TO THE RECENT ANNOUNCEMENT OF HIS APPOINTMENT TO THE COMMISSION TO REVIEW THE CIA, AND HE PERSONALLY FEELS THAT REAGAN WOULD DO A VERY GOOD JOB AS HE IS VERY INTELLIGENT, AND A MAN OF HIGHEST INTEGRITY AND BELIEVES STRONGLY IN HIS IDEALS AND PRINCIPALS. HE SAID HE FEELS HE WOULD NEVER TOLERATE ANY SITUATION THAT WOULD RESULT IN ABUSE OF EXECUTIVE PRIVILEGE OR POWER.

MR. BEACH ADVISED THAT ALTHOUGH HE FELT REAGAN WAS A GOOD GOVERNOR, HE DID NOT FEEL HE COULD COMMENT ONE WAY OR ANOTHER ON A RECOMMENDATION.

UACB, NO REPORT BEING SUBMITTED.

The following investigation was conducted by Special Agent DONALD R. KOMAN on January 8, 1975:

RICHARD P. PHRONEBERGER, Clerk, Personnel Files, and ERNEST JEFFERSON, Clerk, Personnel Locator, both Personnel Services Division, advised the records of their respective offices contain no information indicating appointee was ever employed in any capacity at USDS.

SALLY CUTTING, Staff Assistant, U.S. National Commission for the United Nations Educational Scientific and Cultural Organization (UNESCO), advised the files of the commission show no reference to RONALD REAGAN as ever having served on the commission.

L. ARTHUR MINNICH, Senior Program Advisor to the Assistant Secretary of State, Bureau of Educational and Cultural Affairs, advised he is the former Executive Secretary of the U.S. National Commission for UNESCO and recalled that appointee never served on the commission.

MINNICH noted the commission had a meeting in San Francisco in the Fall of 1973 which involved a number of celebrities including SAMMIE DAVIS, JR., and SHIRLEY (TEMPLE) BLACK, who is current Ambassador to GHANA. He noted appointee was Governor of California at the time and possibly was involved with the meeting. He also thought that appointee's name may have been suggested for appointment to the commission or to the U.S. Delegation through a UNESCO General Conference, but to his knowledge appointee has never served on same. He noted that general conferences are held every two years on the even years.

Sheriff,

I hope the enclosed documents are not a complete surprise. Chief Dan of S.F. may have contacted you before this time to give you a little fore warning.

Suffice it to say that if Gov. Brown can not see fit to rectify the messes shown by clients the time will come when the Republic will have to step forward and provide the people with Truth and Leadership. As it stands now, Gov. Brown is allowing the courts to make a mockery of many, many issues — and this cannot be tolerated much longer.

Please understand that I love & respect Jerry — and I mean him no harm, physically or otherwise. However, certain things need doing & if he can't manage it then the State is out. (over)

RONALD REAGAN

Police Intelligence Vs. Privacy Rights

Some of those who led the charge against CIA, FBI and police intelligence work a few months ago may be having second thoughts.

In late September, on the floor of Congress, a liberal member denounced the terrorist bombing in Washington, D.C. that took the life of a Chilean former diplomat of the deposed Allende regime. Since the victim's politics were well to the left, there was a natural assumption in some quarters that his murderer(s) were of the opposite persuasion; perhaps even agents of DINA, the Chilean secret police.

Other liberal Congressmen joined in demanding that the FBI find the murderers and bring them to justice. There's the rub. On the same day, FBI Director Clarence Kelley was testifying before a Congressional committee that his agency had reduced the number of domestic security investigations from a routine 21,000 or so two years ago to a present grand total of 626.

This was a direct result of pressure from liberal policymakers who seemed determined to render ineffective all the agencies responsible for our safety — for so their hullabaloo over undercover work by these agencies seemed to imply. In its wake the attorney general of the United States laid down the anti-security guidelines that now restrict the FBI in its work.

Unwarranted prying by government into private lives is something nearly all Americans must be opposed to. But government's principal responsibility, after all, is to protect us from harming one another. At what point do we insist so much on "privacy" that law enforcement agencies are unable to guard us against today's terrorism? The zealots in this matter seemed willing to throw out the baby with the bathwater.

In recent years there has been a alarming increase in the number of bombings, arson, hijackings and assassinations. Last year there were more than 2,000 bombings; they caused 69 deaths.

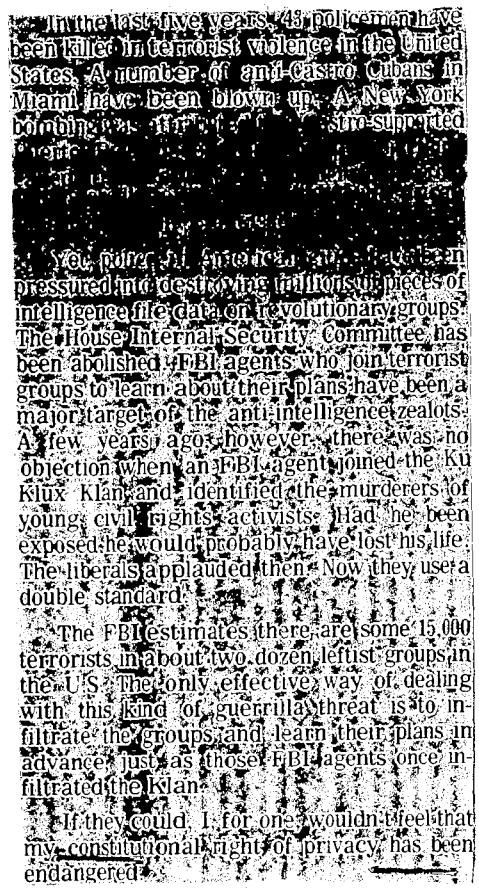
DEC 7 1976



In the last five years, 43 policemen have been killed in terrorist violence in the United States. A number of anti-Castro Cubans in Miami have been blown up. A New York bombing [illegible] pro-supported [illegible]

Yet, [illegible] pressured into destroying millions of pieces of intelligence file data on revolutionary groups. The House Internal Security Committee has been abolished. FBI agents who join terrorist groups to learn about their plans have been a major target of the anti-intelligence zealots. A few years ago, however, there was no objection when an FBI agent joined the Ku Klux Klan and identified the murderers of young civil rights activists. Had he been exposed, he would probably have lost his life. The liberals applauded then. Now they use a double standard.

The FBI estimates there are some 15,000 terrorists in about two dozen leftist groups in the U.S. The only effective way of dealing with this kind of guerrilla threat is to infiltrate the groups and learn their plans in advance, just as those FBI agents once infiltrated the Klan.

If they could, I, for one, wouldn't feel that my constitutional right of privacy has been endangered.

Phoenix, Arizona
March 31, 1976

UNKNOWN SUBJECT; PRESIDENTIAL CANDIDATE RONALD REAGAN; GOVERNOR STATE OF ARIZONA RAUL CASTRO, THREAT TO ASSASSINATE, MARCH 23, 1976

On March 23, 1976, an employee of the Phoenix Office of the Federal Bureau of Investigation (FBI) was advised by a representative of the Mountain Bell Telephone Company, Tucson, Arizona, that at 10:55 p.m. on this date, an unidentified male caller told Operator Number 152, "Tell the FBI that Ronald Reagan and Raul Castro will be shot tonight." The caller immediately disconnected.

A representative of the FBI, Phoenix, at 11 p.m. this same date, immediately following receipt of this information, advised Special Agent Michael Ludy, U.S. Secret Service, Phoenix; Sergeant Larry Bunting, Tucson, Arizona, Police Department; Sergeant George Sherwin, Phoenix Police Department, and Sergeant A. Ticer, Arizona State Department of Public Safety, of the above information.

On March 26, 1976, the above facts were discussed by a representative of the FBI with Assistant U.S. Attorney (AUSA) W. Ronald Jennings, Phoenix, Arizona. Mr. Jennings advised that as subject's identity is unknown and in view of the circumstances of the call, he would not recommend additional investigative efforts. Mr. Jennings pointed out that he did not believe that Title 18, Section 245, United States Code, was applicable to these particular circumstances. He further noted that any investigation conducted under the above section must be authorized by the U.S. Department of Justice.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Re: Unknown Subject;
Threat Against Presidential

April 10, 1976,
Hyatt Regency Hotel
Dearborn, Michigan

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 5/2/96 BY SSA 893 RDJ/sc
405,193

On April 10, 1976, Mr. Richard Johnson, Chief of Security, Hyatt Regency Hotel, Dearborn, Michigan, advised that the General Manager of the Hotel, Mr. Stan Bromley, received an anonymous call on April 10, 1976, at about 1:00 pm, which went as follows:

"Is George Wallace staying there? If so, he is as good as dead." At this point caller hung up on Mr. Bromley.

At 1:30 pm, April 10, 1976, Special Agent Donald L'Huillier, U.S. Secret Service, Detroit, Michigan, was advised of the anonymous call to the Hyatt Regency Hotel by Special Agent Robert W. Meyers, Jr., of the Federal Bureau of Investigation (FBI), Detroit.

On April 21, 1976, Mr. Stan Bromley, Hyatt Regency Hotel, Dearborn, was interviewed regarding the anonymous call and he advised that the caller sounded like a white male, young, with a Southern accent and very intoxicated. Call lasted less than 30 seconds and Mr. Bromley felt, based on his professional experience, that it was a harrassing telephone call.

On April 21, 1976, Special Agent L'Huillier, U.S. Secret Service, Detroit, was advised by Special Agent Robert W. Meyers, Jr., FBI, Detroit, of the interview with Mr. Bromley and that he had no information which would lead to the identification of the caller. Since no information was developed which would lead to the identification of the caller, no additional investigation will be conducted in this matter.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

THEY WERE UNABLE TO LOCATE ANY SUCH TAPE AND AT 4PM. THEY RECEIVED ANOTHER PHONE CALL AND WENT TO THE SECOND FLOOR RESTROOM AND FOUND AN ENVELOPE CONTAINING THE

THE ABOVE MENTIONED TAPE AND CREDIT CARD INSIDE A PLASTIC JACKET OF THE TAPE AND TAPED TO THE WALL. [redacted] STATED THAT, ACCORDING TO THE TAPE, THE FBI WAS NOT TO RECEIVE THIS TAPE AND THAT THE FBI WAS NOT TO ACKNOWLEDGE THAT THEY HAD RECEIVED THE TAPE. THE TAPE RECORDING LASTS APPROXIMATELY 30 MINUTES. THE FIRST VOICE ON THE TAPE IS THAT OF AN UNIDENTIFIED FEMALE. SHE INDICATES THAT THE HOPES AND FEARS OF OUR PEOPLE ARE THE CONCERN OF THE SLA AND THAT THE SLA DOES NOT CONDONE THE PROPOGANDA ACTIONS OF THE NEWS MEDIA. SHE INDICATES THAT THE REASON FOR SUSPENSION OF SLA COMMUNICATIONS IS THE FACT THAT THE PRESS HAS DISTORTED THE COMMUNICATIONS AND HAS NOT, AS PREVIOUSLY DEMANDED, PUBLISHED THE COMPLETE TEXT OF THE PRINCIPLES OF THE SLA. SHE REFERS TO THESE PRINCIPLES AS BEING ONE: REVOLUTION, TWO: GUNS, AND THREE: TRUTH. SHE INDICATES THAT ALL DOCUMENTS MUST BE PRINTED PUBLICLY, INCLUDING THE SLA PROGRAM, COMPLETE DETAILS REGARDING THE FOSTER CASE (REFERS TO THE SLAYING OF OAKLAND SCHOOL

END PAGE TWO

b6
b7C

SUPERINTENDETNT MARCUS FOSTER ON NOVEMBER 6, 1973), AND DETAILS OF THE SLA FOOD PROGRAM. WITH REFERENCE TO THE PEOPLE IN NEED (PIN) PROGRAM SHE IS HIGHLY CRITICLAL REFERRING TO THE POOR QUALITY OF THE FOOD, THE LONG LINES OF PEOPLE WAITING TO RECEIVE THIS FOOD AND THE FACT THAT ONLY A SMALL NUMBER OF INDIVIDUALS HAVE RECEIVED FOOD UNDER THIS PROGRAM. SHE MAKES REFERENCE TO A STATEMENT BY THE WESTERN ADDITION PROJECT AREA COMMITTEE (WAPAC) WHICH WAS CRITICAL OF THE PROGRAM AND ALSO COMMENTS CONCERNING VICTIM'S MOTHER'S PARTICIPATION AS A MEMBER OF THE BOARD OF REGENTS AT THE UNIVERSITY OF CALIFORNIA AND THE HEARST FOUNDATION. SHE DESCRIBES THE AFORMENTIONED AS ENGAGING IN CRIMINAL ACTIVITIES. SHE CONTINUALLY MAKES REFERENCE TO THE FBI, THE RECENT STATEMENT OF THE ATTORNEY GENERAL REGARDING BUSTING IN ON THE SUBJECTS AND RISKING LIFE OF VICTIM AND INDICATES THAT CONTINUED FBI INVESTIG-GATION WILL RESULT IN THE EXECUTION OF THE VICTIM. SHE CONCLUDES WITH THE DEMAND THAT RUSSSELL LITTLE AND JOSEPH REMIRO, CURRENTLY CHARGED AND INCARCERATED IN CONNECTON TO THE FOSTER KILLING, BE ALLOWED TO PUBLICLY MAKE STATEMENTS CONCERNING THEIR PHYSICAL CONDITION AND THE CONDITIONS SURROUNDING THEIR CONFINEMENT. THE

Ronald Reagan-2204

SECOND DEMAND WAS THAT THE TAPE BE PUBLISHED IN FULL IN THE NEWS MEDIA.

IT WOULD APPEAR THAT THE TAPE WAS MADE EITHER ON MARCH 6,1974, AND/OR SUBSEQUENT THERETO BECAUSE OF THE FACT THAT A TAPE CONTAINING THE VOICES OF LITTLE AND REMIRO WAS PLAYED ON RADIO STATION KPFA AT 6:30PM. ON MARCH 6, 1974. IN THIS TAPE LITTLE AND REMIRO REFERRED TO A PLOT ON THE PART OF THE FEDERAL BUREAU OF INVESTIGATION AND THE DEPARTMENT OF JUSTICE TO HAVE THEM KILLED BY INMATES AND ACCUSE THE NEWS MEDIA OF WAGING A CAMPAIGN AGAINST THEM THAT HAS MADE IT IMPOSSIBLE FOR THEM TO RECEIVE A FAIR TRIAL AND REQUEST THAT THEY BE ALLOWED TO APPEAR BEFORE THE PUBLIC AT A NATIONALLY TELEVISED PRESS CONFERENCE AND STATE THEIR POSITION.

THE STATEMENT BY THE FIRST FEMALE LASTED APPROXIMATELY 12 MINUTES. THE NEXT VOICE ON THE TAPE WAS THAT OF THE VICTIM WHOSE VOICE WAS IDENTIFIED BY MEMBERS OF HER FAMILY AND AGENTS OF THE SAN FRANCISCO OFFICE. THE SEGMENT OF THE TAPE CONTAINING VICTIM'S VOICE WAS OF APPROXIMATE 12 MINUTES DURATION. SHE WAS HIGHLY CRITICAL OF THE FBI, HER FATHER AND HER MOTHER.

SHE INDICATED THAT HER PARENTS HAD NOT DONE ALL THEY COULD TO COMPLY WITH THE SLA DEMANDS, THAT HER FATHER CONTROLLED THE HEARST FOUNDATION AND THAT HE COULD HAVE INFLUENCED THE FOUNDATION TO PUT UP THE ADDITIONAL FOUR MILLION DOLLARS DEMANDED BY THE SLA. SHE ALSO MADE REFERENCE TO THE CRIMINAL ACTIVITIES OF THE UNIVERSITY OF CALIFORNIA BOARD OF REGENTS, OF WHICH HER MOTHER IS A MEMBER AND TO THE HEARST CORPORATION. SHE STATED THAT THE FBI, CONTRARY TO THEIR PUBLIC STATEMENTS, WAS NOT CONCERNED FOR HER SAFETY OR FOR THAT MATTER FOR THE SAFETY OF ANY HOSTAGES. SHE APPEARED TO BE READING HER STATEMENT AND MADE REFERENCE TO THE POOR QUALITY OF FOOD DISTRIBUTED BY THE PIN PROGRAM AND THE FACT THAT SLA DEMANDS IN CONNECTION WITH THIS PROGRAM HAD NOT BEEN COMPLIED WITH. SHE INDICATED THAT THE CONSTITUTIONAL RIGHTS OF REMIRO AND LITTLE HAD BEEN VIOLATED AND MADE REFERENCE TO REMARKS OF CALIFORNIA GOVERNOR RONALD REAGAN WHICH SHE DESCRIBED AS BEING

ENF PAGE FIVE

ANTAGONISTIC. IT SHOULD BE NOTED THAT REAGAN RECENTLY PUBLICLY STATED THAT THE STATE OF CALIFORNIA WOULD NOT RELEASE ANY PRISONERS IF DEMANDED BY THE SLA FOR THAT MATTER ANY OTHER INDIVIDUAL AND/OR ORGANIZATION.

IN ESSENCE, DURING PATRICIA HEARST'S STATEMENT SHE WAS CRITICAL OF ALL ASPECTS OF THE FOOD DISTRIBUTION PROGRAM, HER PARENTS RESPONSE TO SLA DEMANDS, REMARKS OF GOVERNMENT AND STATE OFFICIALS CONCERNING THE KIDNAPING AND THE FBI'S INVESTIGATION IN CONNECTION WITH THE KIDNAPING. THE THIRD AND FOURTH VOICES ON THE TAPE APPEAR TO BE THOSE OF TWO UNIDENTIFIED FEMALES. THEIR VOICES ARE CONTAINED ON THE TAPE FOR APPROXIMATELY ONE MINUTE EACH AND THEIR COMMENTS REFER TO THE USUAL SLA RHETORIC.

~~3,$ 0~~ END PAGE SIX

THE LAST VOICE ON THE TAPE IS THAT OF AN INDIVIDUAL WHO IDENTIFIED HIMSELF AS BEING CINQUE. THIS IS UNDOUBTEDLY DONALD DAVID DE FREEZE, UFAC FUGITIVE WHOSE VOICE WAS ON THREE EARLIER TAPES. HE URGES ALL BLACK, YELLOW AND ALL OPPRESSED PEOPLE TO COME TOGETHER TO ARM THEMSELVES AND "POINT THE SIGHTS OF THEIR GUNS TOWARD THE ENEMY". HE URGES ALL OPPRESSED PEOPLE, INCLUDING PIMPS AND PROSTITUTES, TO WAGE WAR AGAINST CORPORATIONS.

THE PORTION OF THE TAPE CONTAINING CINQUE'S VOICE LASTED APPROXIMATELY TWO MINUTES.

THE TAPE WAS OF EXTREMELY POOR QUALITY AND IN SOME PORTIONS ALMOST UNINTELLIGIBLE.

A COMPLETE TRANSCRIPT OF THE TAPE INSOFAR AS POSSIBLE WILL BE SUBMITTED TO THE BUREAU.

THE TAPE AND CREDIT CARD REFERRED TO ABOVE ARE BEING SUBMITTED TO THE LABORATORY FOR APPROPRIATE EXAMINATION AND LAB WILL BE REQUESTED TO COMPARE VOICES ON THE TAPE WITH PREVIOUS CASSETTES SUBMITTED IN CAPTIONED MATTER AND ALSO WITH THE CASSETTE CONTAINING THE VOICE OF NANCY LING PERRY.

GENERAL INVESTIGATIVE DIVISION

Attached Sacramento Airtel reports that according to the California State Police and the State (California) Superintendent of Public Instruction, Sacramento, California, the life of Governor Ronald Reagan has been threatened by a group of alleged law students attending nonaccredited law schools in California. The group professes that they are poor and can not attend accredited law schools and can only be given credit for their first year of law study after they pass the First Year Law Students Examination. According to the group, students who attend accredited schools need not take the exam. California State Police and the California Bureau of Criminal Identification and Investigation are currently conducting an investigation into this matter. No suspects have been developed to date. California State Police furnished a copy of the letter (attached) for information and not as a request for FBI investigation.

Our Sacramento Office has furnished a copy to U. S. Secret Service, Sacramento, for information. As California authorities are conducting investigation, no FBI investigation will be initiated.

Dear Sir, I represent an organization called the "Poor Students Union" our Membership consists of poor students and students, who come from poor families. Many of our members are enrolled in California Law Schools because we figure that the best way to help our poor friends and relatives in California is by going through the courts and using the laws. The type of California Law Schools that most of our members are enrolled are the Non Accredited law schools because in many cases there tuitions are lower than those of the accredited schools. I have been informed by the Com mittee of Bar Examiners, and so has every member of the Poor Students Union who is attending a California Law School, that students in accredited law schools get credit for their first year of Law School without taking the First Year Law Students Examination; While students in Non Accredited Law Schools are denied credit for their first year of Law School unless they take and pass the first Year Law Students Examination. We students who are members of the Poor Students Union feel that this is unfair discrimination against us since most of us are in Non Accredited Law Schools because We are too poor to go to accredited law schools (tuition in Non Accredited Law Schools is cheaper than in accredited Law Schools) because We feel that we are being discriminated against; We are all threatening (and We will do it so help us God) Kill Governor Ronald Reagan and the Mayor of every major city in California if a first year law students examination is given on June 20, 1972 or ever again in the future. Our organization (which has over 2000000 members in California alone) will also stage one of the Worst poor peoples riots in California history; one which I guarantee you will be Worst than the Tet offensive in South Vietnam back in

[redacted] also known as [redacted]
EVELLE YOUNGER;
RONALD REAGAN - VICTIMS

On May 10, 1976, Lieutenant Lon Richards, California State Police, assigned to the Governor's Office, Sacramento, Ca., made available a copy of a letter dated May 1, 1976, addressed to Mrs. Dymally, wife of Lieutenant Governor Mervyn M. Dymally, from captioned individual, which letter is attached. Lieutenant Richards advised he was furnishing a copy of this letter to the local office of the FBI and the U. S. Secret Service due to the veiled threats contained in the letter against California Attorney General Evelle Younger and former Governor Ronald Reagan.

As background, [redacted] is presently incarcerated at Folsom Prison on a life sentence. He is a prolific letter writer and well known to California authorities. According to Lieutenant Richards, California authorities have an extensive file on [redacted] and they are conducting their own investigation relative to any threats against Mr. Younger. California State Police is maintaining custody of all correspondence received from [redacted] and, in this particular letter, which rambles on, there is really no specific threat against anyone including the recipient, Mrs. Dymally.

Lieutenant Richards further advised that he was bringing this matter to the attention of the local office of the U. S. Secret Service since they are presently charged with the protective responsibilities of Presidential candidate Ronald Reagan.

In view of this, the fact that California authorities are handling this matter relative to an individual presently incarcerated under a life sentence, and the veiled nature of any threat, the Sacramento Office of the FBI plans no further investigation.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Mrs. Dymally,

I would like an immediate interview with you and the Press for the sake of preventing more killings in the Prisons, because Iam a long ways from stopping now after being framed by Evelle Younger and other clown pigs.

I want guarantee access to press, without the strained imagination of lap-dogs for the government in the way of truth and I will prove slavery and conspiracy in the system against the people.

If you inspect the Enclose document (pending in the federal court, u.s 9th Circuit) you'll find every assertion therein being true . This document, Writ of Habeas Corpus number 76-8150 .

If it was Evelle Younger calling for the correction of records to cofirm acquittal's, the case would never had passed the superior Court, however, it being me a Black its a fight just to get my leagl document filed in the Court.

I am held in a Folson prison where I received not one visit sence being placed in this pit, because of the suppression of the San Francisco county juors acqittal . The pending case is numbered 76-8150, U.S. 9th Circuit Appeal Court.

No strain will be put on you mister, because its impossible for these yellow mutta fuckas to prevent me from exposing this case of slavery, not even death can stop me because I ain't never dying without taking some these stinking shit-head lying son of bitches with me .

Evelle Younger and Reagan are murdering coward son of bitches that don't deserve to breath air, and I'll kill the scums for no money down to bring their klan shit to an indefinate end !

Every pig involved gonna pay for the frame-up in this case.

I said it,

Dear Mr. Wilson:

I am enclosing copies of my letter to the Editor, S. D. Tribune, July 6th, and a hate filled letter I received, signed J. Black Panther. The addresses is ficticious, the police tell me. As you know we do have a group called the Jet Black Panther. Gov. Reagan's life was threatened as well as my children. His sights will have to be set pretty high to kill my son. He is in Vietnam willing to give his life, if neccessary, in a phony war he is not allowed to win while characters like these roam free to destroy our country from within. Gun registration will not prevent criminals from obtaining guns.

I demand to know if tax money is being used in San Diego to train these revolutionaries. There is enough evidence in Gary Allen's "War on Poverty" that tax money is being used by the O.E.O. all over United States, to demand a full fledged congressional investigation to clear the Office of Economic Opportunity or to abolish it. And I don't mean a committee appoined by President Johnson.

Dear [redacted]

You stinking bitch, what you don't understand is that me in America live in a racist society. I am with you. "lets not register guns. Black people need all the guns they can get their hands on. I bet when ronald reagen get his head blown off, you will be the first to holler "lets do something." He will get his sweetheart, and soon. I hope to see this country go up in smoke. If I can not live here in freedom. I'll do everything in my power to see that all white bastards catch hell along with me. what are you? a wop, or

Firearms Possession Held Deterrent to Dictatorship

Editor: I commend Police Chief O. J. Roed and Gov. Reagan for their stand against gun registration. The "bleeding hearts" keep releasing criminals and demanding more rigid gun laws to regulate the law abiding!

If they were really honest in what they propose, how about legislation making a long jail term mandatory when a gun is used in the commission of a crime? They want to condition the public to the idea that for citizens to have guns and ammunition in their homes is somehow dangerous.

The people of the United States present a unique menace to its aspiring dictators. Somewhere out there, there are more rifles, pistols and shotguns than are possessed by all the armies of the earth combined! And the "soft on criminals" and revolutionary boys are going quietly out of their minds. The only way they are going to know, is to have you register them. Then as murders and assassinations continue unabated, guess whose guns will be confiscated?

During the recent riots in Washington, D.C., police stood by helplessly, on orders, for 16 hours while revolutionaries helped themselves to the loot. Read HUAC report "Guerrilla Warfare Advocates in the United States," recently released by the Government Printing Office and "Insurrection" by Susan L. M. Huck and see what is planned for you! Then you decide who is going to protect your home and family while the "bleeding hearts" tie the hands of our police.

The time to let your congressmen and state representatives know you are opposed to gun registration is now. The time to elect men who will stand up for America is Nov. 5.

NOTE

By teletype 8/1/64 San Diego advised of the receipt by [redacted] of a letter containing threats against Governor Reagan and [redacted]. The letter agreed with [redacted] opinion that guns should not be registered ([redacted] recently had written a letter to the editor of a local paper which was published concerning registering of guns). The communication contains threats to Governor Reagan and [redacted]. It is signed J. Black Panther, San Diego; the street address of the letter is nonexistent. USSS has been advised as well as appropriate local authorities; however, there is a possible violation of the Federal Extortion Statute contained in this letter.

b6
b7C

By memorandum 7/29/68 from USSS, USSS forwarded copy of a letter sent from victim [redacted] to Congressman Bob Wilson of California. She enclosed a copy of the threatening communication. [redacted] demanded to know if tax money is being used in San Diego to train revolutionaries such as the individual who wrote to her. She indicated a copy of her letter was being sent to Governor Reagan, Senator Murphy, Representative Utt, Senator John G. Schmitz (California), Senator Schrade (California) and Representative John Stull (California).

Our files reveal [redacted] by letter to Congressman Thomas Kuchel dated 1/25/67, copy to the Bureau, criticizes a treaty being considered at that time with Russia and states that if this treaty is enacted more Soviet spies will be living in this country. She was complimentary concerning the Director.

Re: Talk vs practice.

Hon. Ronald Reagan
Governor of California
Sacramento, Ca.

Oh Governor! Dear Governor!

Granted that the Wallace assassination attempt is pathetic, it is just one more instance of the direction the U. S. has taken since the 1930's with roots in the more distant past. It is futile buck-passing cowardice to regard Arthur Bremer, or any other murderer in our country, as someone other than US. Our problems do not become solved until we fathom universal [redacted] L I T Y.

It was laughable to hear you whine yesterday, "Why don't they sit down and talk it over?" Yes, why don't "they" talk it over!; Preaching is much easier than practice. Your remark was ignorant, stupid, ridiculous, naive.

You are afraid the poor might get something they do not deserve or did not earn and yet you show no concern over filching of billions out of the blood and bones of fellow-humans on the part of economic "royalty." And, taxes "should hurt," but on whose part? How much are you ever willing to sit down and talk these matters over with reason??? You put the disillusioned, disenchanted, and the bloodyhearted in a boat with "Communists" and insist they have no language but the nailed fist. What alternative have they then but to give you the same in return? Unfortunately often others less guilty get put into your self-styled boat, with you.

On the matter of sitting down to talk it over I can cite you personal experience dating back to 1939 and before. The enclosed packet of pages can give you at least an inkling of such effort on my part--mostly with officialdom in charge just like you are as of now. Can you now condescend to sit down and communicate with me as a citizen of your great state? Why don't you either put up or shut up before someone as sick of you as I have become puts a bullet between your teeth also?

Cordially yours,

b6
b7C

[redacted]

P. S. On basis of past experience I see the past 15 minutes of my time to have been wasted because in all probability the Governor will never see this letter. You aides that shield and protect him from the exterior have no access or capability to cure him from his own inbred internal rot. And, so it goes, adios.

Feb. 19, 1972

Dear Brother-Kappan:

I've enjoyed local PDK membership nearly two years. How many of the fellows do I really know by this time? None! How many of the 254 in our group actually know me by now? Not one! Why not? Whose fault is that? I've assumed that it's largely my own. I'm venturing thru the enclosed pages to introduce myself, such as I am. Reciprocation from each one of our 254 members would be welcome indeed. And, I'd like challenge. This could provide me--or us--many vital notes to compare; it has possibility of interesting evolvement. . .(Being listed in Who's Who in American Education, International Biography, Two Thousand Men Of Achievement, Creative & Successful Personalities, etc., like holding a statistic on either national or local PDK, tho nice, does not provide interchange of thot and spirit necessary for creative health of the human individual. More recently I've experienced participation in FORUM FOR CONTEMPORARY HISTORY that involves COMMUNICATION by personal letter distribution. This promises to be most useful. What reason is there why our local PDK could not actuate to some degree thru that kind of "thing"? As of now our chapter "fiddles" while "Rome burns.") It could spark much mutual interest--via swapping of experiences in actual life and learning. Why cringe and hide from each other or nose around in the "froth on the beer"? Underlying REALITY can be quite spontaneously relishable. A sampling sip can verify that.

Our fall conference--tho poorly attended--was very interesting to me, but it terminatedabruptly ahead of schedule on grounds that those who had come from a distance had to make tracks homeward to their rabbit-holes, immediately after lunch. The final summary of the meeting was torpedoed and abandoned. Why? Was there nothing left to discuss and consider together concerning the status quo and possibilities of education and the quality of life in our country and communities in crisis? I wouldn't be surprised if those particularly eager to depart went honky-tonking till midnight anyway instead of rushing home to their schools or their wives.

Granted that there might be time for rabbit-holing and honkey-tonking but we have only two general conferences/school yr, and only one chapter meeting/mo. These C A N and ought to be palatable. They are (at least potentially) closer to R E A L I T Y than escape and diversion. What we get out of them developmentally in moral and spiritual fiber is directly proportional to input. Mankind's problem on the world scene today is essentially insensitivity to brotherhood. Have PDK'ans some part in this?

If so, then when and where C A N we proceed? By grasshopper jumps in Washington, or in the 1980's? How about coming together (integrity) more unanimously in both spirit and attendance at our meetings N O W instead of procastingly going asunder, much "later than we think"? Life (learning) is where we find it--in F E A R L E S S mutually revitalizing search and concreation, not in self-seeking diversion. In brotherly fusion, not fission. In positive mutual attraction via what there is in common at heart, not by repulsion of potentially enriching differences on the periphery.

I'm highly in favor of "new blood" via influx of new members but we shouldn't lean on that externally as a crutch; the present membership needs to be ressurrected by internal spinal uprightness and stamina, until the sanctity of our heritage on earth can be faced and realized. This is not a burden imposed on us as educators; it's an opportunity at our option--not a "must but a "may."

Sincerely, [redacted]

Afterthot: Would it be wise for Vietnamese to go for the hint that upon submission Uncle Sam will monetarily "rehabilitate" all Southeast Asia in his own image when that image is one of inability to rehabilitate the ghettos, farms, business practices, downheartedness of the poor, and educational effectiveness of his own at home? Can rehabilitatation trickle down thru Saigon-type corruption as watershed; will floodingof hard surfaces in torrents down erroding ratholes nourish grass roots in need of fertilizer, cultivation and moisture? Is the direction of natural development from the macrocosm toward the microcosm or is it vice versa?

[redacted] Redlands, [redacted] 92373, Apr. 10, 1972 Re: An observation of political and religious smallness vs broader reality.

To the leadership of our Nation:

The air is now steeped rife with past myth and futuristic aircastle promises of self-seeking opportunism out to exploit once more the upcoming ballot boxes entrenched in favor of an astute incumbent.

The American Indian had his myths. The white "Christians" that pushed him off his lands in the name of God and progress had their separate myths. Myths follow also the Hindus, Moslems, Janists, Zoroastrians, Democrats, Republicans, Independents, Communism, Capitalism, and especially Militarism, the most obsolete instrument in human policy. But precisely how separate are those separate myths? And, just how separate is the seemingly separate TRUTH about mankind?

Man has always been his "brothers' keeper," world-wide, but that truth is now more evolved in the interpenetrating (inter-dependent, if you prefer) nature of modern co-existence than it was 2000 or even 200 years ago. Thinking in terms of in-group out-group pressuring and external push-pulling (coupled with halo vs condemnation) where good is generalized in the in-group and bad in the out-group is no longer practical, if it ever was. The former now needs to include every human individual to the total extinction of the latter.

Mankind needs to be "reborn" free from all fear, hate, spite, prejudice etc. in universal open spirit rather than in some cloistered dogma or earth-bound womb. Then he can be spontaneously "B R A V E" enuf to LIVE and let live. Yes, the religions of the world (like the 256 listed sects in the U. S. alone) are each assertedly "open" to all mankind, but only if mankind will line submissively thru its particular porthole. Witness what a problem this presents to President Nixon in innovating approaches to China and Russia, for instance. Missionairies have already their eagle eyes cocked to making the Chinese over in our own image---and what an image!

World-wide brotherhood (or siblinghood, if you have aversion to the unisexuality) of man cannot be artificially brought about by any high priest or authority because that pre-requires natural common source, parentage. However, happily, that does exist already in reality as celestial heritage because every human creature is offspring of the same everpresent "Creator" in the creative "image"--unless we abandon "God" to the mythical six days in the past tense alone forever (in that case men should be duplicates like interchangeable auto parts rather than each a unique individual). We only need to claim it in expanded awareness and practice. Why ascribe poverty (or partiality to "God," the image of our own being, by limiting "Him" to a one and only son? And not even any daughters? Observe that the same universal male-female power of procreation is quite definitely present at all points of the earth, and in all probability everywhere thruout the universe. Ascribing deadness (life less) to more than 99.9% of the vast universe comes back to roost in our civilization in the form of crime, quarreling, riots, and progressively more involved more total more atomic computerized wars toward oblivion, because of the macrocosm's curvature, because we're bound to reap as we sow. Why ascribe intelligence, and life, ONLY to less than 1% of universal vastness, the earth-particle, in petty parsimony? Where's our magnanimity?

Solution to problems of our nation and the world is to us more vital than who'll be our next President. And this requires deeper magnanimity and wider loyalty than either politics or religion have in store for us as of now.

How insoluble are man's problems; how essential is the crisis in human relations? It should be within his power to undo them because they're of his own making. They stem from ignominious smallness of mind and spirit that needs to EXERCISE the faith of a mustard seed. Man's whole being (the whole wide universe) will then begin to serve him. As of now he uses (creatively) less than one little finger of his potential. And petty politics, like predatory commercials, just plays on that smallness.

Dear Editor:

Salsberger's "FEAR IS ULTIMATE FORCE IN VIETNAM" today unwittingly points out that war requires "victory" of FEAR--because fear is its base and footing. And, how ultimate or how empty are the prospects for such "victory"!!!

It is fear that makes it necessary for man to pick up arms and deplete his natural, human, and economic resources in endless races of armament stockpiling (monuments to cowardice). Its allies are hate, spite, prejudice, greed, etc.

Ever since cave days man has been striving scared, to become BRAVE anuf to fight his fellow man in order to become free of him. Now that the world has "shrunk" he is even less free of neighbors than ever, unless mutual annihilation can be accomplished. Why?

We humans have thus far had the cart before the horse. We need to become free F I R S T---of fear and its allies---then we cannot help but be truly spontaneously B R A V E enuf to LIVE and let live.

Fear is an absence or void, like darness in a living room, that cannot be destroyed because it is a non-existence. But turn on the light and the darkness is gone.

It is likewise with pursuit of elongating shadows that lead us away from light. About-face and shadows will be left behind, because their existence depends on perversion, or backward use of light.

Weak emptiness of fear can be filled(displaced) with love and its allies of faith, confidence, courage, and genuine G U N L E S S strength.that is creative.

We cannot alter the melody of infinity; we can only be in discord with it and suffer the consequences. There is no peace in the future that is not hidden in this present little instant. Let us come out of the musty gloom of the cave into the sunlight of LIFE.

Sincerely yours,

Take heaven!. . .No peace lies in the future which is not hidden in this present little instant. Take peace!. . .The gloom of the world is but a shadow. Behind it, yet within our reach, is joy. There is radiance and glory even in the darkness could we but see---and to see we have only to look. I beseech you to look. . .Life is so generous a giver, but we, judging its gifts by their covering, cast them away as ugly or heavy or hard. Remove the covering, and you will find, beneath it a living splendor woven of love, by wisdom with power. Welcome it, grasp it, and you touch the angel's hand that brings it to you. Everything we call a trial, a sorrow, or a duty, believe me, that angel's hand is there; the gift is there and the wonder of an overshadowing presence. Our joys, too,---be not content with them as joys. They, too, conceal diviner gifts."

Dear Mr. [redacted]:

I wish to thank you kindly for your letter of 30 March.

I ponder over why you relegate the "riches of Jesus Christ" to be "unsearchable." I find them not only searchable but even attainable--via the Christ that dwells inherently in every human creature (either dormant or activated). (Col.1:27)

I have no doubt that God has called Dr. Graham to preach, with conviction, as he does. Then you were called to find time to communicate with me. And, God has also called even me to point out hopefully how Mr. Graham can now increase in depth of magnanimity and breadth of loyalty. And, please consider me not impertinent. Think not that it's all in the bag--no room for growth or improvement. God's dynamic aliveness is evidenced by the observablefact that each individual born is unique from any other individual ever born before so that he can be named and identified as, externally, that particular person and not a mere duplicate of any one previous person--in tune with the counterbalancing fact that internally (within) every individual born is part and product of the same one continuous body of all mankind; namely, LIFE that is (internally) more REAL than the "lives" that externally come and go while it continues as eternity.

No, Jesus was not a liar in claiming to be the son of God but we most certainly do goof as liars if we deny that we (every human creature) are also the siblings of that same omnipresent God with the same heritage (John 8:41)--as tho we could be products of mere fornication. The human mechanism is infinitely intricate and most gloriously accurate within (the kingdom--all the good of God). It is not just that easily created by a few external movements. Each one of us is also "The way, the truth, and the life to the extent that we live it. (This is largely a matter of universally applicable "what" rather than some ego-centered "who.")

Yes, I do love God (His P R E S E N C E as all of the good within man, rather than His non-existence via relegation to "way up there," as is the prevalent tendency on the part of most of us yet today). And I love mankind as product and temple of the good (love) of God, as myself, as part of my whole body. Why do you suppose I became willing to have myself arrested and incarcerated in Washington in the 30's? However, I do aim to keep my heart and mind open to further activation and reinforcement. I'm sure there's room for greater depth of magnanimity and breadth of loyalty on my part. I'm eager to fathom the ocean of human awareness, broaden the horizon, raise the ceiling, and really set the human CREATIVE spirit to truly live and to grow. Even at 62 I'm still too young to be captured and/or fenced in.

I rejoice not over Jesus' death ("for me") nor the death of any other individual. It's regrettable that the high priests and authorities of his day saw Jesus as a "dangerous demented radical" and consequently executed him. It would have been much finer, more useful, for him to have lived much longer for God, country and fellowman.

The foregoing is written not with intent to contradict, offend, or subtract but rather to reinforce reality and to supplement according to need as God provides me with vision to see. I'm open to correction on anything I may have misunderstood. And I'd like challenge on any remarks or statements I've made that might be questionable.

With the very best of wishes for the Billy Graham Association,

[redacted]

Sincerely yours,

[redacted]

P. S. The book, PEACE WITH GOD, has not arrived yet. I'm looking forward to it. Many hearty thanks again for writing to me, as you did.

Re: Inadequacy of Social Security and the American Way of Life. b6 b7C

Nearly four years ago I was once more "disabled" from my occupation--teaching and school administration--by means of a skeleton in my closet that assassinates my character. Actually it's Uncle Sam's but it's still officially labeled as mine.

After several months of thumb-twittling in frustration I found and took menial labor as janitor (assuming that if we don't get what we want, we need to want what we get). Physical check-up declared me fit for 10 or 15 more years of labor. Privately to my wife I expressed intentions of beating those figures.

The spirit was willing but the flesh of my right shoulder in particular did not pass the test (It had been once completely dislocated over 20 years previously in basketball. I had been told it would be troublesome the rest of my days.) It clunks. Beyond limited use it becomes irritated. Over the past three years I've spent many tense days and sleepless nights with it--in optimistic hope that nature will reward reward effort, that determined exercise will eventually make it strong. But continued use made the shoulder and adjoining areas increasingly tense and painful. I was forced to consider retirement.

At the Social Security office one Mrs. Goodman informed me that I'd be entitled to about $200/mo. and about $100 apiece for my two children--more precisely $398/mo.

Upon due notice to my employers I made definite application, on the 62 year old basis, since my family doctor was unable to "qualify" me for disability which would have put me on the 65 year figure immediately. (His x-ray showed no pain nor loose clunking nor the tension that develops. On calcium deposits noticeable he offered to needle me with cortizone shots as other MD's had done previously--to no avail. In the past only chiropractors' massage of tenseness and their ultrasonic breaking up of calcium had given me relief. MD treatment, beyond that first relocation, has been useless as a belch in a gale. But it's the MD that's in authority.)

On the second visit to the Social Security office I was informed of a "family maximum" of $302.80 altogether. I was left wondering why Mrs. Goodman had not brot up that "maximum." I was left pondering also the plight of those who are less fortunate than I--who have contributed less years via lower salary and might have 10 or 12 children (who had no choice of parents) instead of two. And how is one to live on $302.80/mo. even if he has only two children? How secure is our security?

Much has gone thru my mind the past few weeks concerning years bygone and those ahead for my children. Will they find their world more trustworthy? Will they be as naive as I have been? As of now their future looks less promising despite all academic and parental nurture.

My mother died when I was 8. Father was awfully busy raising wheat and cattle, despite a crippled left hand. My two brothers and I grew up like weeds in the wilderness, from standpoint of culture and social finesse. We worked not only long hours in the fields but also at housekeeping and cooking besides.

When the finest grade of hard spring wheat went down to 25 cents/bu., we learned first hand that in America one can go to the poorhouse working himself to death while speculators wallow in millions via manipulation of markets.

And then came the drought and dust storms to wipe our life earnings to less than zero. Somehow in the meantime I did become the educated fool of the family. I was first to ever get an 8th grade diploma at our rural school. Six years as student-janitor (along with various odd jobs and housekeeping) made it possible for me to complete high school, belatedly, and to obtain a B. A. degree in education.

My first teaching position (Werner, N. Dak. 1935-36) evaporated after one year, due to emigration of population via drought and dust storms.

Assistant Educational Advisorship for [redacted] CCC company at Diston, Oregon (1936-37) ceased when CCC funds were cut [redacted] camp was disbanded.

Teaching in the state of Washington expired after one year (1937-38) when my One-

Ronald Reagan 1976

Year Temporary Certificate be[illegible] unrenewable--local graduates [illegible]eeded employment.
Selling Silver-Seal [illegible]chen utensils via demonstrat[illegible] dinner and health lecture had to discontinue when the manufacturer went bankrupt.
House-painting in Portland, Ore. could not continue when owners 'had no money." (Had it evaporated? Who had it cornered? Where was it? Had it become extinct?)
Grain and fruit were rotting in fields and orchards or were deliberately destroyed to bring up price. Factories in the cities were idle, yet warehouses were bulging full. Meanwhile unfortunates were starving; they had no money for that price.
A book-full of words would not cover my interim on WPA (despite refusal to sign that required paupers' oath) to experience and study first hand that set-up in action, while taking simultaneously extension courses in Economic Research and International Economic Policies from the U. of Ore. under Dr. Victor Pierpont Morris.
Much class time was spent on the horrors of Naziism, in juxtaposition with what parasites were the WPA "loafers" that leaned on shovels--as tho they were equally horrible and consequently a product of Nazism. . .When it became inevitable for me to divulge that I was one instance of that part and product of America and the American Way of Life that the professor and his graduate students were unwittingly degrading, even beyond the humiliation of "pauper" stigma, embarrassment to teacher and students necessitated discontinuance of my attendance. They had thot they knew precisely what was going on in Germany across the Atlantic when actually they know almost nothing even about lives of their fellow-men right under their very noses---preconception!
Congressmen (and others in charge of our nation) were just too preoccupied with big business. (Like Nero fiddling while Rome burned.)
As a last resort effort to communicate what I had seen and experienced across the country concerning involuntary unemployment and poverty in the midst of "What to do with surplus?" (of money, goods, natural and human resources, and productive capacity) I sacrificed all that I had and all that I was in getting myself arrested via a brick thru a U. S. Treasury window---with willingness to pay the penalty for my act. (I was naive enuf to think I would experience justice in hands of Government & media.)
I did get a hearing in court. I answered every one of the judge's questions without hesitation. The last one was, "What right have you to be concerned about all those millions of unemployed? (We've always had the unemployed and poor in our history.) Are you an authorized representative of an organization of the unemployed?" I answered, "Your honor, my reason is selfish. I seek security of opportunity to depend on myself for a decent living. But I happen to know that for me that security is not complete until every other citizen of our country has that same security." The laughing thigh-slapping audience seemed to enjoy my remarks very much. In embarrassment the judge motioned for the guards to remove me as he muttered something about the trial to be continued later. It was never continued.
I was incarcerated with the criminally insane behind 30 foot concrete walls in Howard Hall of St. Elizabeth's by the Potomac for those long years (Aug. 13, 1939 to Aug. 13, 1942) in suspense from day to day by means of Secret Service retainers, while Doctors Lind and Griffin in charge of me kept chanting, "We think you're ill! We think you're ill! We think you're ill! We think you're ill! . . . . .!!!"
A punch-drunk heavy-weight ex prizefighter was allowed to surprise me with a compound fracture of the jaw. I was left unattended 4 days and 5 nights. I was unable to swallow even my own saliva. But I did not die. Why not?
In due course both doctors became definitely ill instead. (Griffin had surgery for gall stones.) With more sympathetic internes substituting in charge I was better able to communicate with the outside world and as a result of investigation by Senator Gerald P. Nye of North Dakota I did finally get released.
Ronald Reagan-4079
Employment was now available in "cost plus" defense plants to any Tom, Dick or Harry that could walk and punch a time clock, T H A N K S to WW II.
But when the war ended, going was really tuffer than ever for this assassinated character. Nevertheless, after 10 years of absence from education, I did somehow get back to teaching and even to school superintendency, but it had to be in little one-horse towns in the Midwest and I had to move every year or two to keep ahead of that

skeleton in my closet. Although ranking as a "liberal" for most conservative areas.

July 1966 we relocated from N. Dak. to Calif. with intentions of remaining more permanently settled so that our children would not have to be uprooted so often. Redlands looked most inviting. Subsequent to an interview on the strong Social Science I received the nicest and most encouraging letter of my life from Personnel Director, William Rosenberger. Mostly on the strength of that letter we bought a good home and settled in Redlands to stay.

The teaching position never materialized. In the meantime ultra-conservatve Max Rafferty, Supt. of Pub. Instruction, requested a second set of finger prints from me. He seems to have decided that one with my record shall not teach in California.

But where do I go from here? Past character assassination caused me to retire from the teaching profession. Unbearable pain in my shoulder and related areas caused retirement from janitor work. Yet my AMA-ultra-conservative family doctor does not "qualify" me for disability. On the age 62 basis I can draw only $151/mo. If in the meantime I earn more than $140/mo., half will be taken away. Beyond a certain figure all will be taken. Why? Why the restriction on lingering productive capacity? There's no parallel curb on even dubious proceeds of wealthy.

Even cowards can take away means of livelihood from the powerless deprived. But who among our alleged leadership dares modify disbalanced and hoarding of power-hungry multimillionaires whose snowballing loot gravitates to investments abroad and to the military, that those very deprived then get drafted to promote and defend with their lives on the other side of the earth-ball. Is there wonder why we have Hippies, Yippies, and increase in drug-addiction and crime? And what family in price-mad America can live decently on $302.8?/mo. or less? A tent in the woods is not feasable.

The wallowing wealthy can draw Social Security regardless of all other income but if some poor man manages to be productive beyond $140/mo., it will be taken away from him!! How rotten can we get for the sake of an out-dated economy? Is man to be forever sacrificed for property and big profits for the few till they rot in gluttony or C A N our economy be adapted to S E R V E mankind instead? I've given my best from age 8 up to the present--even at self-sacrifice beyond all call of duty and functional patriotism. Am I now to be further kicked in the teeth in return? Hell no!

Fool me once, shame on you; fool me twice, shame on me. But I'm not so gullible a second time. And today I'm not alone like I was in 1929. The tables are turning.

It can't be done! Uncle Sam cannot afford a decent living for every American either by due pension or thru productive capacity! !!! B U L L M A N U R E!!!--- with due apologies to the bull and to his manure!

We might say our representatives on both the state and national levels have deteriorated to conducting themselves like stinking drizzling south end of a bull going north but that would not be correct; it would not be fair to the bull nor to his south end. The bull's anatomy is in place. It performs its function--dropping excreta harmlessly on the ground to become fertilizer to grass and flowers. That's more than can be said for Washington officialdom in particular. It broadcasts moral and verbal excreta both at home and up to summit levels abroad in a manner that pollutes, poisons, and contaminates--in the interest of vain ego and false face beyond repair.

And I have respect for bull manure too because it is intelligent; it "knows" how to become nourishing to plant life. That's more than can be said for our Congress as a whole, or for Tricky-Dicky. They do not truly S E R V E our country (and theirs) because they have pursued elongating shadows until they're lost in (military) darkness.

Of course it's in the dark that we see the stars, and there are some among Congressmen, but the light they shed is not enuf. One calls for new beginning as presidential candidate but does he have inner vision enuf for today's requirements of mankind? We need a S U N that can awaken sensitivities to S P I R I T U A L and social R E A L I T Y that can claim our celestial heritage on earth as brothers' keepers.

Politics cannot solve our problems because it hinges on self-seeking profit motive. It's crude and clumsy. Man has always been his brothers' keeper but that truth is more evolved today than 2000 or 200 years ago. It's now more imperative.

Life is infinitely intricate(interpenetrating) and yet most gloriously accurate

Ronald Reagan-4080

despite our unawareness. It promises ecstatic adventure, change to higher levels. The alternative is oblivion. Permanence (eternity) is based on consistent balanced change according to need rather than on rigid brittle changelessness.

Even sand, for instance, is "intelligent" enuf to change to liquid at a specific temperature in order to become glass for our windows. And H_2O changes to liquid and to gas according to need. Othewise it could not serve locomotion in a railroad engine nor life via rain to vegetation in perpetuation of the water cycle. If sand and H_2O did not change as required, they would probably obliterate themselves as essential elements of the universe. And the keynote is balance!!!!

One might say that those melting points of sand and H_2O are instances of changelessness. Oh yeah? They too vary according to purity and altitude. They are moving fulcrums of balance at which change does occur---less rigid, less arbitrary and much more sensitive and functional than the predatory disbalanced gluttonous profit motive that converts goods into g l u t on the market. Consistency makes the former universally applicable. What breadth of balance even a fraction of military waste could provide if converted to genuine grass-roots purchasing power!!!

If our presidential candidates were truly enlightened in the sincerity of their aspirations to serve their country (fellow-men), that would be immediately demonstrated in challenging, encouraging, enlightening and mutually uplifting each other and the American public N O W instead of defending past egos and/or promising beautifully packaged moons in an illusionary future that recedes like the horizon line.

We need heads of state that can be F E A R L E S S enmasse in underlying reality of today, with roots in the past only for nourishment and aspirations in viable future for enlightenment. Why should today be left an erroding credibility canyon between dead past and illusionary future or hereafter?

Can bombs in bank vaults conceivably show how command of property can free lives and begin to serve life instead of being the object to pursue at human sacrifice?

Yes, if Tricky-Dicky and Congress could only about-face enmasse and see the light of reality still scintillating behind them in the distance!!!!!!!!!!!!!!!!!

Every American needs economic footing. It is morally imperative and socialllly prudent, and a sound economy requires it for functional health. As of now our economy is like a top-heavy creeking old wheel that wants to collapse because it's out of round and off balance. Its narrow base now requires artificial scarcity at sacrifice of productive capacity and general welfare. Self-less scientific cybernating service of technology has solved man's problem of production even with restricted fractional capacity. But the highly-lauded self-seeking profit system continues to fail miserably in its assigned role of merely distributing that potential blessing of product. What has happened to the moral guts and spinal stamina of those in charge of our nation---in both the public and private sectors? Is functional courage extinct?

Why a family limit to income while there's so much unused productive capacity to translate (despite irresponsible waste of it on the military)? If those SS limits were justifiable, then limits to hoarding of millions should be infinigely more so.

Without substance the "unfortunate" cannot live; without compassion and common sense the predatory affluent are already dead---but (like the turtle still running in circles after his head had been off) they do not know it.

Until every American has genuine security, it is hallucination to think that any of us has it. Why abuse and dissipate both natural and human resource? Accentuate the positive; invest in its integrity instead!

We cannot alter the melody of infinity; we can only be in discord with it and suffer the consequences. It is fear (hate, negativism, shadow) that puts us in discord; in faith (love, positivism, reality) we find infinity all-inclusive, all-encompassing, all-embracing--universally articulated toward full bloom--stable by dynamic breadth of balance. Exploited and/or dead bo of fellow-men make sloppy footing for our country and for the world.

Mr. James Geehan, Editor
THE SUN, San Bernardino, Ca. Note: This was N O T published. b6 b7C

James Restpm's "Does History Pass Moral Judgment?" is timely and yet in terms of outworn theology that dwells on dead past and illusionary future separated by eroding gap. Reality is what happens now with R O O T S in the past for nourishment and aspirations in viable future for enlightenment--in elevated perspective.

Man puts deity unwittingly into past tense ("God created"--and then retired?) and into relative non-existence outside His works "way up there." And His universe is still considered devoid of "intelligent life," except for this little earth-particle. He is then further devitalized and bottle-necked into canned monopolizing form of O N E and O N L Y son to be idolized---inconsistent with valid sample of mankind. Irregularity is inadvertently inserted into the I M A G E of creativeness man could be excercising on earth instead of deceit, greed, crime and war.

Actually deity C R E A T E S today, as in the distance past, by living P R E S E N C E in His works, in a L I V E U N I V E R S E where every human creature is His child--son or daughter. When we learn to observe C R E A T I O N in the present tense, we find a clue as to how He (consistently) "created" in the distant past also, and likewise how we are being "judged." We cannot alter the melody of infinity. We can only be in discord with it and suffer the consequences.

L I F E is more R E A L than (transitory) lives, ego, or skin-deep face of a nation. And future evaluation of the present is U N R E A L--too late, irrelevant, useless. We need to live in "His I M A G E" now rather than in shadows of it.

Dear Editor: Re: Thinking in essence of peace. Note: This was not published. (It was written Jan. 2, 1972)

James Reston is constructively optimistic in his December 24 "World Gets A Little Time To Think." He says ideologies are being modified, raw materials and markets are now available without war. (Haven't they always been?) And then he concludes with the question of how ". . .to get beyond mere absence of war to constructive and cooperative peace for the whole human family."

I would say that solution to this problem requires access to "Why do we have foreign wars and why are we involved in them?" Reason: The P R O F I T M O T I V E of munitions manufacturers, ship-builders, etc. and American I N V E S T M E N T S abroad---according to a Senate investigation committee after WW II. (As reported to the NEA Convention, Denver Colo., June 1935 by Senator Gerald P. Nye, Chairman of that committee, and as published in the NEA Journal September 1935.)

Nevertheless 31 years later Senator Karl Mundt, for instance, was still expounding (to NEA conventioners, Moorhead, Minn.) "Competition and the profit motives are virtues!" That Nye report has since been discredited and the carnage continues, fired by predatory greed.

Ronald Reagan-4082

Actually we need cooperation and S E R V I C E, fired by creative L O V E, as motive--with reasonable profit only incidental. Some thinking of clues on this might be available from Japan and/or the European Common Market.

If we now lack acumen to lead the world, let us at least aspire to follow what is practical. Learning is a basic process of life. Otherwise we perish.

Problem solution is available if we dare go to the R O O T cause. And necessary change from the top down (as it occurs in Japan) is preferable to eventual bloody revolution.

The Sun, San Bernardino, C Re: "Impracticallity" of mor[illegible] vs lack of morals being the very source of [illegible]r troubles. b6 b7C

Dear Editor Geehan:

Professor Robinson's letter today, titled "'Amoral' Foreign Policy Urged" is wrong. He says, ". . . in the world of power politics there is no such thing as morality. The moment a country's foreign policy is determined by morals. . . the world is in for a lot of trouble." Isn't it that very lack of morals that is indeed giving us trouble both at home and abroad? He takes the attitude that since that is how it is, that is how it shall remain. Don't identify the leak in a sinking boat!

In his thinking,in the shadow of the military mind, he is unaware of the underlying reality that militarism is obsolete as instrument of human policy. He has pursued elongating shadows until he is lost in darkness to the extent that he doesn't know he is lost in superficiality.

He needs to about-face and head toward light (understanding) now scintillating behind him in the distance---until he arrives at obliteration of dark nagativism.

Sincerely, [redacted] Note: This was published (Jan.18,1972)

Tempo, Channel 9 TV, Los Angeles Re: The actual nature of Russian effort to "bury" us.

Dear Bob (Dornan): (Written Nov. 18, 1968.)

Your reference to the Cuba Crisis today as a case of "Eyeball To Eyeball" (militarily) is just one more instance of dangerous misunderstanding and misinformation propagation as to what really happened in that instance. It misleads us hazardously on the nature of the game Russia has been, and is, actually playing with us. Consequently we play into the "bear trap" at tremendous expense to us over and over again all the way to Vietnam and back.

Russia never intended to I N V A D E the U. S. from Cuba nor to confront our Navy on the Atlantic. That's why our navy was left shadow boxing. The intention was to make it appear on the world scene that the U. S. is a "War Monger" that does not like its own "medicine",bases at her back door as she has in regards to other nations, like those in Turkey, for instance.

You might recall that this strategy was so effective that Khrushchev was hailed "Savior of Peace" at a relatively small cost to his nation.

Also, shortly therafter some of our Senators declared (on the Sanate floor) themselves willing to take responsibility for WW III if it came, while Khrushchev was denoucing "militarism" as obsolete as "instrument of Communist policy"--from a podium in East Berlin. To me this was embarrassing on the world stage.

Why, even ultra-conservative anti-Communist David Lawrence declared the Cuba affair to have been "The Hoax of The Year"---a few months after it occurred.

It is pathetic to observe that the shadow of military-mindedness of our great nation can so completely blind even the leading officials and commentators of the subtle underlying reality of what is actually happening while we nose around in the "froth on the beer."It is sad to me indeed to see our nation so far off base in its observations and thinking, groping blindly and making much noise in futility.

May God bless us all according to our individual needs toward mutual understanding.

Sincerely, [redacted] Ronald Reagan-4083

Note: I find military-mindedness so onion-strong in our country that very few ever find it possible to even consider this analysis as a remotest possibility. Consequently we as a nation become all the more vulnerable to strategy other than military. . . . . Khrushchev's challenge, or threat, to "bury" us was economic--not military --but there's been irrepressible tendency to take it as military. And now we are as of this moment on the way to economic collapse via misplacement of productive capacity and natural and human resources. S T R E N G T H, on the national level in particular, has been overwhelmingly synonymous with the military---the G U N. I suppose the bank robber and the sky-jacker think likewise. What alternative pattern is there to emulate any more? There is alternative by departure from standard negativism.

Dear Editor:

Institutionalized mass media coupled with institutionalized economics and religion (in the shadow of overwhelming, tho declining and obsolete, military mind) form an entrenched triangle of traditional negativism to timely change that causes the U.S. to become more and mofe the constipated posterior of the earth-planet on the world scene. When change does to some extent occur under pressure it lacks innovation and is consequently inadequate---lacks creative roots---is pretentious and superficial.

This seems to be sensed unwittingly by many established columnists. For instance, Jenkins Lloyd Jones (Jan. 2) under "American Picnic Drawing to a Close" says,. . ."The cold fact is that the once almighty dollar had to be clipped because Americans are loosing their abilty to compete."

Ernest Cuneo in his "Soft Issues and Hard Facts (Jan. 3) talks about gravest danger to our coutry and closes with, "Actually the world situation is moving from disastrous to catastrophic."

And Bruce Biossat (Jan. 3) hits the jackpot in "Colossal Ennue Engulfs Nation" as follows, in part:

> "Nevertheless the net of it is that Americans are on the way to boring each other to stupor.
> "Most television specials don't seem very special any more. . . . go over old ground.
> ". . . .There is a terrible lack of freshness in our approaches to problems which should challenge and stir us."

Ronald Reagan-4084

In my own experience when even a limited 250 word letter to the editor dares to present more basic challenge or to supplement the voluminous E S T A B L I S H E D columns with missing links, it hits the wastebasket like foreign litter.

Of course I'm free to own a newspaper or syndicate. Oh yeah?????

This leaves me frustrated!!! Where can I go from here? The above is all True!

But it is even more serenely true that my gloom (like the gloom of the world in general) is but shadow. The longer we pursue shadows (like justification of Vietnam, for instance) the longer they become as we journey away from light. It's better to light a candle at the least than to curse the darkness.

It behooves me to say, "Get thee behind me, shadow!" And, behold, I'm heading in the direction of light! Shadow becomes shorter behind me An inkling of joy stirs.

I do have a mimeograph. I can duplicate hundreds of copies of this letter--and also the two previous ones the editor did not publish. I can circulate these as far as possible the hard way and see what happens. I'm off dead center.

Since this began as a letter to the editor, I'll leave it as such. And since this is now beyond the (publishable) 250 word limit, I'll mimeograph it right at the start. Of course I'll still send a copy to the editor too. He might yet publish it.

Sincerely yours,

[redacted]

P. S. Had I been harsh on religion in putting it in cahoots with mass media and economics? A casual scan thru THE SUN however revealed (P. 3 of Section B. Jan. 5) that "Churches Reap Big Profits From Viet War, Study Shows." My own church (United Methodist) was found to have nearly 60 million invested in top military corporations.

History now reveals that whenever war occurs, be it hot or cold, truth is the first casualty and that wars are fought by subterfuge. And now I find my own church quite definitely involved in support of that subterfuge and departure from truth!!

The Lusitania was sent into the war zone with contraband to create an incident, in cold deliberation, to make Americans fighing mad. And now we find, on the front page of THE SUN (Jan 2. 1972), that FDR wanted to manufacture an incident to bring the U. S. into WW II months before Pearl Harbor. And then we heard about "Sneak Attack"

And, is the Vietnam war now really being prolonged over prisoners of war?????

[redacted] Redlands, Ca. 92373 Re: Obstructive belief vs viable reality.
or
May 5, 1972

To the leadership of our Country: Ingroup-outgroup conflict vs greater loyalty.

Tatterrd confusion of human affairs today behooves us to seek loyalty great enuf to be common to all mankind--one that CAN ENLIST ALL universally applicable resource of thot, spirit, and material without prejudice against source, with courage enuf to discard all froth of partiality and obsolescence. Is that attainable? Isn't that the "image"-potential resident in the innermost essence of mankind?

The politician says, "no!" He relies on "balance" of FEAR for (fleeting) stalemate as "peace." His partner, the military, proclaims peace to be (coerceable) only by VICTORY of fear. The religious fanatic captures souls in fearful belief that there's no problem solution "until Jesus comes." He's wishful enuf to sit another 2000 years idolatrously looking for some literal HANDOUT to flop into his soft lap some day "soon" somehow, quoting Scripture for proof and solace. So, what's the hang-up? Where do we to from here? Is inspiration a thing of the past? S T A T E S M E N ! ! !

Is"God" preserved in an idolized book of 2000 years ago, or engraved in a diefied figure of Jesus? Are we now celebrating His funeral by eulogizing Him away to the distant past, the hereafter, and especially to "way up there" outside His own works? If so, then of course it IS logical to ascribe lifelessness also to at least 99.9% of His works, the universe. However, stupor, and deadness then encroach overwhelmingly also on the remaining less than 1% of universal vastness, the earth-particle, precisely because of that devitalised God-image we so piously exercise as"bluepring!" On universal curvature our dues come back to roost; we reap as we sow!

I urge that we open up to the reality that "God" is essentially personal animation within (the "kingdom" inherently resident in every human heart and consequently in the composite heart of the body of mankind) in consistent complicity with the inanimate without (the universal gravitation of "that in which we live and move and have our being")--in the P R E S E N T tense; if we are to have any credible clue to the past or future. I beseech that subjective sensitive reality be inserted to close the gap of erroding unreality between past and future; old and young, rich and poor, black and white, male and female. This invokes that vital umbilical cord connecting the finite with the infinite, the innermost sense of feeling in touch with creative reality, to actuate the whole body of mankind in mutual concreation as it actuates the four senses--like the thumb that backs up the four fingers to maximum usefulness.

Our time-tested Christian Bible (like "Bibles" other than Christian) can serve as guide like the manual to my lawn mower. But it's not magic nor will it live my life for me any more than the mower-manual will cut grass for me. Jesus was not a liar in claiming to be Son of God but we certainly do goof as liars when we deny that we (every human creature) are siblings likewise. Otherwise world-wide "brotherhood is nil.

Love for God and neighbor springs spontaneously when reality dawns to dispel that musty cave tradition of fear. Disarmament and peace (creative use of resources) occurs naturally when exercise of realistic (existent and PRESENT) God-image becomes general. When our leadership is enlightened in inspired aspiration to S E R V E, they enlist the miraculous potential of our cybernating mass media communicatively to that purpose. Deceptive commercials then give way to more vital evolvement.

We need to fathom magnanimity enuf to see indwelling God-P R E S E N C E from birth in every human (Buddhist, Zoroastrian, Janist, Democrat, Republican, Communist, Capitalist, or Christian--black, white, red, or yellow); inserting "Him" man-made after birth is futile. When ingroup embraces the total human race, to the extinction of outgroup boundaries, our loyalties will be broad enuf for dynamic peace on earth. It's a matter of claiming our true heritage in practice "just like it is" in eternity right where we are NOW rather than in some schizophrenic other place and/or other time where we are not. This is more essential to earthlings in inner space of human relations than in those inspiring moon walks. But the two do function in reciprocating complicity.

Our gadgets do not take us to the moon and back nor do they send messages back from ¼million miles away; they only amplify what exists consistently wrought in CON_ TIGUOUS eternity. Likewise, internally, man is not so separate from "God" or fellow human. Man's external conflict is superficial and non-essential--foam on thebeach.

Nor is "God" "changeless", as the finite would have Him for convenience of reference In that case human beings would be exact duplicates anonymously interchangeable. "He" did not solidify after the figurative six days of work. He is obviously in continuous evolvement, change, life. Consistent? Yes! But not breakable, brittle, rigid. Consistent change in infinite balance is the essence of continuous LIFE and all creation. Even the inanimate responds to need for change in order to be of SERVICE. Sand, for instance, "knows" how to change at a specific temperature (variable according to purity and altitude)in order to become glass for our windows. H_2O changes from liquid to solid or gas in order to serve as protective surface on a pond, propulsive in a locomotive, or as rain to grass and flowers in completion of the water cycle. If sand and H_2O did not change as they do, they would obliterate themselves as essential elements of the universe. It is likewise with civilizations of man.

Life is more real than lives because it continues beyond civilisations while lives just come and go as contributing parts of the perfect process of eternity.

Cordially yours, Michael Keehan

[redacted] Redlands, Ca. 92373 Re: Necessary change: where, why, how?
May 16, 1972

Dear fellow-human of Planet, Earth:

In "Change In The Secondary School: Why and How?" (Phi Delta Kappan, May 1972) Burton W. Gorman hints, secondarily, at need for change also in our "culture, society, and technology." I feel that need for change ascribed to education, by Gorman and others, applies even much more appropriately to our whole social order, since education is only one little facet or aspect of it. On pages that follow in this packet I venture to depict the nature of change required for quality of life involving leadership, mass media, our religious structuring and all our natural, human and spiritual resources in the "image" at the essence of all options of our celestial heritage on earth. What I propose is not easy to implement consequently it is ignored especially by officialdom with access to articulation of what we are as Americans in contrast with what we can and ought to be.

I begin with a published letter concerning conduct of the top politician of our country, (2) a letter (in part) to a top religious figure, and (3) a letter addressed to total nation-wide leadership on the current world scene. I follow that with background items merging into the more distant past--including my own "conditioning" via past confinement and character assassination complete. I resort to the mimeograph because my writings are seldom published--they do not cater to whims of editors and publishers. I've limited my wordage to expressions brief as possible at risk of clarity. Please read on. Sincerely yours, [redacted]

Dear Editor: (May 3. ;972) Re: Principle vs madness

The basic principles of (Christian) Democracy are individual dignity, mutual respect, and faith in Gof-given intelligence and reason at solving problems. These are universally applicable and should be practiced world-wide.

Instead the U. S. exercises pride, fear stemming from that distorted dominoe theory, and frightening destructiveness of the military.

Pride is an attitude of superiority (not universally applicable) that requires inferiority for contrast, as opposed to dignity that entertains equality of principle; f e a r is an empty weakness without footing or substance; and the military is an obsolete handmaiden of fear, as opposed to f a i t h.

President Nixon Monday night referred to North Vietnam as "the enemy." But what kind of friend is a power that has put over 21,000,000 deep bomb craters in the soil of South Vietnam alone? And destruction of human lives is curiously only incidental to destruction of their footing and means of sustenance for years to come.

Even Russia and China seem now on the verge of getting together over danger of creeping madness on the part of the U. S.

North Vietnam is expected to "compromise." That word suggests reasonableness. But how much mood for compromise would we, Americans, have if some power more horrible than O U R military were putting craters in our soil in either the North or South of the U. S.? Victory of F E A R is futile in any case. Sincerely, Michael Kasberg

Ronald Reagan-4086

Reverend Sir:

I've read with much interest every word of PEACE WITH GOD. Many thanks for having it sent to me.

At this point I'm at the crossroads as to what words I should employ to correctly communicate what I feel at heart.

I do appreciate the literary quality and the degree of effort and spirit exerted to compose such a book. I wish I could say what I'm in all probability expected to say---that it turned me on completely to giving myself to Christ.

Yes, I have given myself---to the "Christ" universally everpresent in every human heart from birth to death ready to come (evolve) again, and again, and again to be recognized, entertained and exercised in practice. Love for "Christ"(God) thus is spontaneous, natural, genuine, meaningful, relevant. Love for every fellow-human as co-temple of that same common inherently-shared indwelling Christ, God, or "Father" is likewise then quite inevitable, without coercion or exhortation.

I find an isolated (unhomogeneous) published institutionalized one and only Christ of 2000 years ago---on the cross, in the grave, and now "way up there" (literally) at the right hand of a far-away man-conjured "Father almighty" much more difficult to love. He is external, not a fair sample, not one of us. I find such love at best quite superficial even tho it might be lauded and labeled as "supernatural."

O_O_O_P_S! Now, what have I done? I've slipped inadvertently into role of critic wehn my intention in sitting to this typewriter was to first get permission or invitation to make comment. . . . . .

. . . .There's much more I would like to say but as of now I do not yet find my way clear to do so. Cordially yours, [redacted]

I am left wondering who is really the "atheist," "disbeliever", or "anti-Crist"? The individual who questions man-made concoctions and idols concerning the dioty or tho one who denies all "God"presence until it is artificially inserted by

RONALD REAGAN, GOVERNOR,
STATE OF CALIFORNIA - VICTIM
EXTORTION

On June 2, 1972, the Sacramento, California Office of the FBI advised that xerox copies of the correspondence received by Mr. Dennis were given to Edward V. Hickey, Jr., Director of Security for Governor Ronald Reagan at Sacramento, California.

Mr. Hickey advised that he intends, on behalf of the Governor and the State of California, to interview [redacted] at Redlands, California. b6 b7C

On June 3, 1972, the contents of the letter were discussed with Assistant United States Attorney John M. Newman, Jr., at Los Angeles, California. Mr. Newman said he would not consider Federal prosecution of [redacted] for violation of the Federal Extortion Statute as the letter does not contain a clear or forthright threat to do harm. Mr. Newman was of the opinion that the letter contained at most an implied threat.

On the same date, at 3:00 p.m., Special Agent Robert Whitlock, United States Secret Service, Los Angeles, was advised of all information concerning this matter.

On June 5, 1972, Lieutenant Dennis Williams, California State Police, Los Angeles, California, was advised of Mr. Newman's opinion. Williams said he interviewed [redacted] at Redlands, California, on June 3, 1972. [redacted] admitted writing the letter to the Governor of California. Williams said it was his opinion that [redacted] is emotionally disturbed, but he does not appear to be violent. Williams said he has notified Lieutenant Olmos of the Redlands Police Department of the facts regarding the letter that [redacted] has written to Governor Reagan.

See the following pages for a copy of the report furnished by the FBI Laboratory, Washington, D.C., concerning the correspondence received by Mr. Dennis.

[redacted] Redlands, Ca. 92373 Re: Obstructive belief vs viable reality. 105,193
May 5, 1972 or

To the leadership of our Country: Ingroup-outgroup conflict vs greater loyalty.

Tatterrd confusion of human affairs today behooves us to seek loyalty great enuf to be common to all mankind--one that CAN ENLIST ALL universally applicable resource of thot, spirit, and material without prejudice against source, with courage enuf to discard all froth of partiality and obsolescence. Is that attainable? Isn't that the "image"-potential resident in the innermost essence of mankind?

The politician says, "no!" He relies on "balance" of FEAR for (fleeting) stalemate as "peace." His partner, the military, proclaims peace to be (coerceable) only by VICTORY of fear. The religious fanatic captures souls in fearful belief that there's no problem solution "until Jesus comes." He's wishful enuf to sit another 2000 years idolatrously looking for some literal HANDOUT to flop into his soft lap some day "soon" somehow, quoting Scripture for proof and solace. So, what's the hang-up? Where do we to from here? Is inspiration a thing of the past? S T A T E S M E N ! ! !

Is"God" preserved in an idolized book of 2000 years ago, or engraved in a diefied figure of Jesus? Are we now celebrating His funeral by eulogizing Him away to the distant past, the hereafter, and especially to "way up there" outside His own works? If so, then of course it IS logical to ascribe lifelessness also to at least 99.9% of His works, the universe. However, stupor, and deadness then encroach overwhelmingly also on the remaining less than 1% of universal vastness, the earth-particle, precisely because of that devitalised God-image we so piously exercise as"blueprint." On universal curvature our dues come back to roost; we reap as we sow.

I urge that we open up to the reality that "God" is essentially personal animation within (the "kingdom" inherently resident in every human heart and consequently in the composite heart of the body of mankind) in consistent complicity with the inanimate without (the universal gravitation of "that in which we live and move and have our being")--in the P R E S E N T tense; if we are to have any credible clue to the past or future. I beseech that subjective sensitive reality be inserted to close the gap of erroding unreality between past and future, old and young, rich and poor, black and white, male and female. This invokes that vital umbilical cord connecting the finite with the infinite, the innermost sense of feeling in touch with creative reality, to actuate the whole body of mankind in mutual concreation as it actuates the four senses--like the thumb that backs up the four fingers to maximum usefulness.

Our time-tested Christian Bible (like "Bibles" other than Christian) can serve as guide like the manual to my lawn mower. But it's not magic nor will it live my life

for me any more than the mower-manual will cut grass for me. Jesus was not a liar in claiming to be Son of God but we certainly do goof as liars when we deny that we (every human creature) are siblings likewise. Otherwise world-wide "brotherhood is nil.

Love for God and neighbor springs spontaneously when reality dawns to dispel that musty cave tradition of fear. Disarmament and peace (creative use of resources) occurs naturally when exercise of realistic (existent and PRESENT) God-image becomes general. When our leadership is enlightened in inspired aspiration to S E R V E, they enlist the miraculous potential of our cybernating mass media communicatively to that purpose. Deceptive commercials then give way to more vital evolvement.

We need to fathom magnanimity enuf to see indwelling God-P R E S E N C E from birth in every human (Buddhist, Zoroastrian, Janist, Democrat, Republican, Communist, Capitalist, or Christian--black, white, red, or yellow); inserting "Him" man-made after birth is futile. When ingroup embraces the total human race, to the extinction of out-group boundaries, our loyalties will be broad enuf for dynamic peace on earth. It's a matter of claiming our true heritage in practice "just like it is" in eternity right where we are NOW rather than in some schizophrenic other place and/or other time where we are not. This is more essential to earthlings in inner space of human relations than in those inspiring moon walks. But the two do function in reciprocating complicity.

Our gadgets do not take us to the moon and back nor do they send messages back from ¼million miles away; they only amplify what exists consistently wrought in CON_ TIGUOUS eternity. Likewise, internally, man is not so separate from "God" or fellow human. Man's external conflict is superficial and non-essential--foam on the beach.

Nor is "God" "changeless", as the finite would have Him for convenience of reference In that case human beings would be exact duplicates anonymously interchangeable. "He" did not solidify after the figurative six days of work. He is obviously in continuous evolvement, change, life. Consistent? Yes! But not breakable, brittle, rigid. Consistent change in infinite balance is the essence of continuous LIFE and all creation. Even the inanimate responds to need for change in order to be of SERVICE. Sand, for instance, "knows" how to change at a specific temperature (variable according to purity and altitude)in order to become glass for our windows. H_2O changes from liquid to solid or gas in order to serve as protective surface on a pond, propulsive in a locomotive, or as rain to grass and flowers in completion of the water cycle. If sand and H_2O did not change as they do, they would obliterate themselves as essential elements of the universe. It is likewise with civilizations of man.

Life is more real than lives because it continues beyond civilisations while lives just come and go as contributing parts of the perfect process of eternity.

Cordially yours,

[redacted]

P.S. Every member of mankind is "the way, the truth, and the life" (via the Christ within from birth) to the extent that he lives it, as did the Jesus of Nazareth. Likewise for every nation, even China.

Hon. Ronald Reagan
Governor of California
Sacramento, Ca.

Oh Governor! Dear Governor!

Granted that the Wallace assassination attempt is pathetic, it is just one more instance of the direction the U. S. has taken since the 1930's with roots in the more distant past. It is futile buck-passing cowardice to regard Arthur Bremer, or any other murderer in our country, as someone other than US. Our problems do not become solved until we fathom universal R E A L I T Y.

It was laughable to hear you whine yesterday, "Why don't they sit down and talk it over?" Yes, why don't "they" talk it over?! Preaching is much easier than practice. Your remark was ignorant, stupid, ridiculous, naive.

You are afraid the poor might get something they do not deserve or did not earn and yet you show no concern over filching of billions out of the blood and bones of fellow-humans on the part of economic "royalty." And, taxes "should hurt," but on whose part? How much are you ever willing to sit down and talk these matters over with reason??? You put the disillusioned, disenchanted, and the disadvantaged in a boat with "Communists" and insist they know no language but the nailed fist. What alternative have they then but to give you the same in return? Unfortunately often others less guilty get put into your self-dyed boat with you.

On the matter of sitting down to talk it over I can cite you personal experience dating back to 1939 and before. The enclosed packet of pages can give you at least an inkling of such effort on my part--mostly with officialdom in charge just like you are as of now. Can you now condescend to sit down and communicate with me as a citizen of your great state? Why don't you either put up or shut up before someone as sick of you as I have become puts a bullet between your teeth also?

Cordially yours,

[redacted]

P. S. On basis of past experience I see the past 15 minutes of my time to have been wasted because in all probability the Governor will never see this letter. You aides that shield and protect him from the exterior have no access or capability to save him from his own inbred internal rot. And, so it goes, adios.

[redacted] Redlands, Ca. 92373 Re: P R E S E N C E of deity now vs "judgment" in some future that becomes dead past.
Dec. 29, 1971

Mr. James Geehan, Editor
THE SUN, San Bernardino, Ca. Note: This was N O T published. b6 b7C

James Restpm's "Does History Pass Moral Judgment?" is timely and yet in terms of outworn theology that dwells on dead past and illusionary future separated by eroding gap. Reality is what happens now with R O O T S in the past for nourishment and aspirations in viable future for enlightenment--in elevated perspective.

Man puts deity unwittingly into past tense ("God created"--and then retired?) and into relative non-existence outside His works "way up there." And His universe is still considered devoid of "intelligent life," except for this little earth-particle. He is then further devitalized and bottle-necked into canned monopolizing form of O N E and C N L Y son to be idolized---inconsistent with valid sample of mankind. Irregularity is inadvertently inserted into the I M A G E of creativeness man could be excercising on earth instead of deceit, greed, crime and war.

Actually deity C R E A T E S today, as in the distance past, by living P R E S-E N C E in His works, in a L I V E U N I V E R S E where every human creature is His child--son or daughter. When we learn to observe C R E A T I O N in the present tense, we find a clue as to how He (consistently) "created" in the distant past also, and likewise how we are being "judged." We cannot alter the melody of infinity. We can [illegible] only be in discord with it and suffer the consequences.

L I F E is more R E A L than (transitory) lives, ego, or skin-deep face of a nation. And future evaluation of the present is U N R E A L--too late, irrelevant, useless. We need to live in "His I M A G E" now rather than in shadows of it.

Sincerely yours, [redacted]

Dear Editor: Re: Thinking in essence of peace. Note: This was not published. (It was written Jan. 2, 1972)

James Reston is constructively optimistic in his December 24 "World Gets A Little Time To Think." He says ideologies are being modified, raw materials and markets are now available without war. (Haven't they always been?) And then he concludes with the question of how ". . .to get beyond mere absence of war to constructive and cooperative peace for the whole human family."

I would say that solution to this problem requires access to "Why do we have foreign wars and why are we involved in them?" Reason: The P R O F I T M O TI V E of munitions manufacturers, ship-builders, etc. and American I N V E S T M E N T S abroad---according to a Senate investigation committee after WW II. (As reported to the NEA Convention, Denver Colo., June 1935 by Senator Gerald P. Nye, Chairman of that committee, and as published in the NEA Journal September 1935.)

Nevertheless 31 years later Senator Karl Mundt, for instance, was still expounding (to MEA conventioners, Moorhead, Minn.) "Competition and the profit motives are virtues!" That Nye report has since been discredited and the carnage continues, fired by predatory greed.

Actually we need cooperation and S E R V I C E, fired by creative L O V E, as motive--with reasonable profit only incidental. Some inkling of clues on this might be available from Japan and/or the European Common Market.

If we now lack acumen to lead the world, let us at least aspire to follow what is practical. Learning is a basic process of life. Otherwise we perish.

Problem solution is available if we dare go to the R O O T cause. And necessary change from the top down (as it occurs in Japan) is preferable to eventual bloody revolution.

Sincerely yours, [redacted]

Re: Monopolized institutionalization and consequent gloom.

Dear Editor:

Institutionalized mass media coupled with institutionalized economics and religion (in the shadow of overwhelming, tho declining and obsolete, military mind) form an entrenched triangle of traditional negativism to timely change that causes the U.S. to become more and mofe the constipated posterior of the earth-planet on the world scene. When change does to some extent occur under pressure it lacks innovation and is consequently inadequate---lacks creative roots---is pretentious and superficial.

This seems to be sensed unwittingly by many established columnists. For instance, Jenkins Lloyd Jones (Jan. 2) under "American Picnic Drawing to a Close" says,. . ."The cold fact is that the once almighty dollar had to be clipped because Americans are loosing their abilty to compete."

Ernest Cuneo in his "Soft Issues and Hard Facts (Jan. 3) talks about gravest danger to our coutry and closes with, "Actually the world situation is moving from disastrous to catastrophic."

And Bruce Biossat (Jan. 3) hits the jackpot in "Colossal Ennue Engulfs Nation" as follows, in part:

"Nevertheless the net of it is that Americans are on the way to boring each other to stupor.

"Most television specials don't seem very special any more. . . . b6 b7C go over old ground.

". . . .There is a terrible lack of freshness in our approaches to problems which should challenge and stir us."

In my own experience when even a limited 250 word letter to the editor dares to present more basic challenge or to supplement the voluminous E S T A B L I S H E D columns with missing links, it hits the wastebasket like foreign litter.

Of course I'm free to own a newspaper or syndicate. Oh yeah?????

This leaves me frustrated!!! Where can I go from here? The above is all True!

But it is even more serenely true that my gloom (like the gloom of the world in general) is but shadow. The longer we pursue shadows (like justification of Vietnam, for instance) the longer they become as we journey away from light. It's better to light a candle at the least than to curse the darkness.

It behooves me to say, "Get thee behind me, shadow!" And, behold, I'm heading in the direction of light! Shadow becomes shorter behind me An inkling of joy stirs.

I do have a mimeograph. I can duplicate hundreds of copies of this letter--and also the two previous ones the editor did not publish. I can circulate these as far as possible the hard way and see what happens. I'm off dead center.

Since this began as a letter to the editor, I'll leave it as such. And since this is now beyond the (publishable) 250 word limit, I'll mimeograph it right at the start. Of course I'll still send a copy to the editor too. He might yet publish it.

Sincerely yours,

[redacted]

P. S. Had I been harsh on religion in putting it in cahoots with mass media and economics? A casual scan thru THE SUN however revealed (P. 3 of Section B. Jan. 5) that "Churches Reap Big Profits From Viet War, Study Shows." My own church (United Methodist) was found to have nearly 60 million invested in top military corporations.

History now reveals that whenever war occurs, be it hot or cold, truth is the first casualty and that wars are fought by subterfuge. And now I find my own church quite definitely involved in support of that subterfuge and departure from truth!!

The Lusitania was sent into the war zone with contraband to create an incident, in cold deliberation, to make Americans fighing mad. And now we find, on the front page of THE SUN (Jan 2. 1972), that FDR wanted to manufacture an incident to bring the U. S. into WW II months before Pearl Harbor. And then we heard about "Sneak Attack"

And, is the Vietnam war now really being prolonged over prisoners of war?????

Our spring conference attendance in March jumped from a feeble 350 last year to a "unexpected" "surprising" 650 in 1972. No one seems to know really why. Perhaps new PDK potential. President John Gathings jokingly ascribed it to his "good administration"

[redacted], Redlands, Ca. 92373

Feb. 19, 1973

Dear Brother-Kappan:

I've enjoyed local PDK membership nearly two years. How many of the fellows do I really know by this time? None! How many of the 254 in our group actually know me by now? Not one! Why not? Whose fault is that? I've assumed that it's largely my own. I'm venturing thru the enclosed pages to introduce myself, such as I am. Reciprocation from each one of our 254 members would be welcome indeed. And, I'd like challenge. This could provide me--or us--many vital notes to compare; it has possibility of interesting evolvement. . .(Being listed in Who's Who in American Education, International Biography, Two Thousand Men Of Achievement, Creative & Successful Personalities, etc., like holding a statistic on either national or local PDK, tho nice, does not provide interchange of thot and spirit necessary for creative health of the human individual. More recently I've experienced participation in FORUM FOR CONTEMPORARY HISTORY that involves COMMUNICATION by personal letter distribution. This promises to be most useful. What reason is there why our local PDK could not actuate to some degree thru that kind of "thing"? As of now our chapter "fiddles" while "Rome burns.") It could spark much mutual interest--via swapping of experiences in actual life and learning. Why cringe and hide from each other or nose around in the "froth on the beer"? Underlying REALITY can be quite spontaneously relishable. A sampling sip can verify that.

Our fall conference--tho poorly attended--was very interesting to me, but it terminatedabruptly ahead of schedule on grounds that those who had come from a distance had to make tracks homeward to their rabbit-holes, immediately after lunch. The final summary of the meeting was torpedoed and abandoned. Why? Was there nothing left to discuss and consider together concerning the status quo and possibilities of education and the quality of life in our country and communities in crisis? I wouldn't be surprised if those particularly eager to depart went honky-tonking till midnight anyway instead of rushing home to their schools or their wives.

Granted that there might be time for rabbit-holing and honkey-tonking but we have only two general conferences/school yr, and only one chapter meeting/mo. These C A N and ought to be palatable. They are (at least potentially) closer to R E A L I T Y than escape and diversion. What we get out of them developmentally in moral and spiritual fiber is directly proportional to input. Mankind's problem on the world scene today is essentially insensitivity to brotherhood. Have PDK'ans some part in this?

If so, then when and where C A N we proceed? By grasshopper jumps in Washington, or in the 1980's? How about coming together (integrity) more unanimously in both spirit and attendance at our meetings N O W instead of procastingly going asunder, much "later than we think"? Life (learning) is where we find it--in F E A R L E S S mutually revitalizing search and concreation, not in self-seeking diversion. In brotherly fusion, not fission. In positive mutual attraction via what there is in common at heart, not by repulsion of potentially enriching differences on the periphery.

I'm highly in favor of "new blood" via influx of new members but we shouldn't lean on that externally as a crutch; the present membership needs to be ressurrected by internal spinal uprightness and stamina, until the sanctity of our heritage on earth can be faced and realized. This is not a burden imposed on us as educators; it's an opportunity at our option--not a "must but a "may."

Afterthot: Would it be wise for Vietnamese to go for the hint that upon submission Uncle Sam will monetarily "rehabilitate" all Southeast Asia in his own image when that image is one of inability to rehabilitate the ghettos, farms, business practices, downheartedness of the poor, and educational effectiveness of his own at home? Can rehabilitatation trickle down thru Saigon-type corruption as watershed; will floodingof hard surfaces in torrents down erroding ratholes nourish grass roots in need of fertilizer, cultivation and moisture? Is the direction of natural development from the macrocosm toward the microcosm or is it vice versa?

Ronald Reagan-4112

[redacted] Redlands, Ca. 92373, Apr. 10, 1972 Re: An observation of political and religious smallness vs broader reality.

To the leadership of our Nation:

The air is now steeped rife with past myth and futuristic aircastle promises of self-seeking opportunism out to exploit once more the upcoming ballot boxes entrenched in favor of an astute incumbent.

The American Indian had his myths. The white "Christians" that pushed him off his lands in the name of God and progress had their separate myths. Myths follow also the Hindus, Moslems, Janists, Zoroastrians, Democrats, Republicans, Independents, Communism, Capitalism, and especially Militarism, the most obsolete instrument in human policy. But precisely how separate are those separate myths? And, just how separate is the seemingly separate TRUTH about mankind?

Man has always been his "brothers' keeper," world-wide, but that truth is now more evolved in the interpenetrating (inter-dependent, if you prefer) nature of modern co-existence than it was 2000 or even 200 years ago. Thinking in terms of in-group out-group pressuring and external push-pulling (coupled with halo vs condemnation)where good is generalized in the in-group and bad in the out-group is no longer practical,if it ever was. The former now needs to include every human individual to the total extinction of the latter.

Mankind needs to be "reborn" free from all fear, hate, spite, prejudice etc. in universal open spirit rather than in some cloistered dogma or earth-bound womb. Then he can be spontaneously "B R A V E" enuf to LIVE and let live. Yes, the religions of the world (like the 256 listed sects in the U. S. alone) are each assertedly "open" to all mankind, but only if mankind will line submissively thru its particular porthole. Witness what a problem this presents to President Nixon in innovating approaches to China and Russia, for instance. Missionairies have already their eagle eyes cocked to making the Chinese over in our own image---and what an image!

World-wide brotherhood (or siblinghood, if you have aversion to the unisexuality) of man cannot be artificially brought about by any high priest or authority because that pre-requires natural common source, parentage. However, happily, that does exist already in reality as celestial heritage because every human creature is offspring of the same everpresent "Creator" in the creative "image"--unless we abandon "God" to the mythical six days in the past tense alone forever(in that case men should be duplicates like interchangeable auto parts rather than each a unique individual). We only need to claim it in expanded awareness and practice. Why ascribe poverty (or partiality to "God," the image of our own being, by limiting "Him" to a one and only son? And not even any daughters? Observe that the same universal male-female power of procreation is quite definitely present at all points of the earth, and in all probability everywhere thruout the universe. Ascribing deadness (life less) less to more than 99.9% of the vast universe comes back to roost in our civilization in the form of crime,quarreling, riots, and progressively more involved more total more atomic computerized wars toward oblivion, because of the macrocosm's curvature, because we're bound to reap as we sow. Why ascribe intelligence, and life, ONLY to less than 1% of universal vastness, the earth-particle, in petty parsimony?Where's our magnanimity?

Solution to problems of our nation and the world is to us more vital than who'll be our next President. And this requires deeper magnanimity and wider loyalty than either politics or religion have in store for us as of now.

How insoluble are man's problems; how essential is the crisis in human relations? It should be within his power to undo them because they're of his own making. They stem from ignominious smallness of mind and spirit that needs to EXERCISE the faith of a mustard seed. Man's whole being (the whole wide universe) will then begin to serve him. As of now he uses (creatively) less than one little finger of his potential. And petty politics, like predatory commercials, just plays on that smallness.

Sincerely yours, b6 b7C

The Sun, San Bernardino, Ca. Re: "Impracticallity" of morals vs lack of morals being the very source of our troubles.

Dear Editor Geehan:

Professor Robinson's letter today, titled "'Amoral' Foreign Policy Urged" is wrong. He says, ". . . in the world of power politics there is no such thing as morality. The moment a country's foreign policy is determined by morals. . . the world is in for a lot of trouble." Isn't it that very lack of morals that is indeed giving us trouble both at home and abroad? He takes the attitude that since that is how it is, that is how it shall remain. Don't identify the leak in a sinking boat!

In his thinking, in the shadow of the military mind, he is unaware of the underlying reality that militarism is obsolete as instrument of human policy. He has pursued elongating shadows until he is lost in darkness to the extent that he doesn't know he is lost in superficiality.

He needs to about-face and head toward light (understanding) now scintillating behind him in the distance---until he arrives at obliteration of dark nagativism.

Tempo, Channel 9 TV, Los Angeles Re: The actual nature of Russian effort to "bury" us. (Written Nov. 18, 1968.)

Dear Bob (Dornan):

Your reference to the Cuba Crisis today as a case of "Eyeball To Eyeball" (militarily) is just one more instance of dangerous misunderstanding and misinformation propagation as to what really happened in that instance. It misleads us hazardously on the nature of the game Russia has been, and is, actually playing with us. Consequently we play into the "bear trap" at trêmendous expense to us over and over again all the way to Vietnam and back.

Russia never intended to I N V A D E the U. S. from Cuba nor to confront our Navy on the Atlantic. That's why our navy was left shadow boxing. The intention was to make it appear on the world scene that the U. S. is a "War Monger" that does not like its own "medicine", bases at her back door as she has in regards to other nations, like those in Turkey, for instance.

You might recall that this strategy was so effective that Khrushchev was hailed "Savior of Peace" at a relatively small cost to his nation.

Also, shortly therafter some of our Senators declared (on the Sanate floor) themselves willing to take responsibility for WW III if it came, while Khrushchev was denoucing "militarism" as obsolete as "instrument of Communist policy"--from a podium in East Berlin. To me this was embarrassing on the world stage. b6 b7C

Why, even ultra-conservative anti-Communist David Lawrence declared the Cuba affair to have been "The Hoax of The Year"---a few months after it occurred.

It is pathetic to observe that the shadow of military-mindedness of our great nation can so completely blind even the leading officials and commentators of the subtle underlying reality of what is actually happening while we nose around in the "froth on the beer." It is sad to me indeed to see our nation so far off base in its observations and thinking, groping blindly and making much noise in futility.

May God bless us all according to our individual needs toward mutual understanding.

Sincerely, [redacted]

Note: I find military-mindedness so onion-strong in our country that very few ever find it possible to even consider this analysis as a remotest possibility. Consequently we as a nation become all the more vulnerable to strategy other than military. . . . . Khrushchev's challenge, or threat, to "bury" us was economic--not military --but there's been irrepressible tendency to take it as military. And now we are as of this moment on the way to economic collapse via misplacement of productive capacity and natural and human resources. S T R E N G T H, on the national level in particular, has been overwhelmingly synonymous with the military---the G U N. I suppose the bank robber and the sky-jacker think likewise. What alternative pattern is there to emulate any more? There is alternative--by departure from standard negativism.

Re: Man's prospects in abiding by the outmoded tradition of F E A R and its handmaiden, the gun.

Mr. James Geehan, Editor
THE SUN
San Berdino, Ca.

Dear Editor:

Salsberger's "FEAR IS ULTIMATE FORCE IN VIETNAM" today unwittingly points out that war requires "victory" of FEAR--because fear is its base and footing. And, how ultimate or how empty are the prospects for such "victory"!!!

It is fear that makes it necessary for man to pick up arms and deplete his natural, human, and economic resources in endless races of armament stockpiling (monuments to cowardice). Its allies are hate, spite, prejudice, greed, etc.

Ever since cave days man has been striving scared, to become BRAVE anuf to fight his fellow man in order to become free of him. Now that the world has "shrunk" he is even less free of neighbors than ever, unless mutual annihilation can be accomplished. Why?

We humans have thus far had the cart before the horse. We need to become free F I R S T---of fear and its allies---then we cannot help but be truly spontaneously B R A V E enuf to LIVE and let live.

Fear is an absence or void, like darness in a living room, that cannot be destroyed because it is a non-existence. But turn on the light and the darkness is gone.

It is likewise with pursuit of elongating shadows that lead us away from light. About-face and shadows will be left behind, because their existence depends on perversion, or backward use of light.

Weak emptiness of fear can be filled(displaced) with love and its allies of faith, confidence, courage, and genuine G U N L E S S strength.that is creative.

We cannot alter the melody of infinity; we can only be in discord with it and suffer the consequences. There is no peace in the future that is not hidden in this present little instant. Let us come out of the musty gloom of the cave into the sunlight of LIFE.

Sincerely yours,

Take heaven!. . .No peace lies in the future which is not hidden in this present little instant. Take peace!. . .The gloom of the world is but a shadow. Behind it, yet within our reach, is joy. There is radiance and glory even in the darkness could we but see---and to see we have only to look. I beseech you to look. . .Life is so generous a giver, but we, judging its gifts by their covering, cast them away as ugly or heavy or hard. Remove the covering, and you will find, beneath it a living splendor woven of love, by wisdom with power. Welcome it, grasp it, and you touch the angel's hand that brings it to you. Everything we call a trial, a sorrow, or a duty, believe me, that angel's hand is there; the gift is there and the wonder of an overshadowing presence. Our joys, too,---be not content with them as joys. They, too, conceal diviner gifts."

Re Sacramento nitel to the Bureau, 6/2/72, and Los Angeles nitel to the Bureau, 6/5/72.

On 6/8/72, SA CLARENCE E. NEWTON, JR., advised ED HICKEY, Director of Security, Governor's Office, Sacramento, of the declination of USA at Los Angeles on 6/3/72, in this matter. Mr. HICKEY advised he was well aware of the contents of the letter written by [redacted] and that representatives of his office had interviewed [redacted] at Redlands, California, and no further action was being taken by his office.

Mr. HICKEY stated in his opinion, there was no prosecutable violation, either State or Federal, contained in the alleged note, and unless advised to the contrary by the Bureau, no presentation will be made at Sacramento in view of the declination at Los Angeles.

No further action is being taken at Sacramento, and this case is being marked closed.

Reference Seattle teletype to the Bureau dated 6/1/72.

Enclosed for the Bureau and Sacramento is one copy of a letter by [redacted] of Redlands, California dated 5/16/72 and 13 pages of mimeographed material apparently written by [redacted]

On May 31, 1972, the attached letter was received in the mail by Johnnie T. Dennis, Science Department, Walla Walla High School, Walla Walla, Washington, the original of which is presumed to have been sent to Governor Reagan of California.

Mr. Dennis advised that the author of the letter, [redacted] of Redlands, California, is unknown to him and believes that the only reason he received a copy is because he is a consulting editor for the Phi Delta Kappen, an educational magazine.

On June 1, 1972, Assistant United States Attorney Robert S. Linnell, Yakima, Washington, advised that any prosecution in this matter would logically lie within California. The opinion of the USA has been confirmed by letter.

The letter states in part as follows:

"In [redacted] I was committed to state prison by the superior court of San Diego-County for the offense of [redacted]. I was 23 years old at that time. I have been in prison ever since and today at 29 years of age, I have made up my mind to have 'revenge' someday.... My next 'crime' will make up for these past 6 years. (After all, I am being made to serve a sentence for something equialent to 1st degree murder so I should be entitled to commit an offense of at least that nature.)

".....bear in mind that 4 psychiatrists stated in their report to the Adult Authority on [redacted], that 'I would deteriorate mentally if I weren't discharged immediately....' Bear it in mind because their report means that I cannot be held legally responsible for any revenge I seek in the future. Another words -- I have been given a 'green light...'

"In summary, this letter is not a request for your help. It is merely to advise you and the 'committee' you represent that when the Adult Authority do get around to signing my release papers sometime within the next four years -- they will surely sign someone's death warrant. I now have a horrible urge to kill and I daresay that someday I will satisfy it. (Have you ever been able to just 'feel' something? Well, I feel that sooner or later I will commit murder!) I just am not going to rest until I get justice. And note that here I use the word 'justice' rather than revenge. Perhaps the one thing that really convinces me that I must do something in retaliation is that psychiatric report. It is a lot easier when one knows they cannot be held responsible. Now, one wonders. What is it going to take? The assassination of the Governor? The assassination of a few members of the Adult Authority? (That would be more appropriate, wouldn't it!) Just what? And you see -- not even I can answer that question until it's too late...."
